Dear Sir:

Re: Wm. Johnson.
W½ 24-6-6-4. Joint Relief Advances.

The above party obtained the following Joint Relief Advances giving as security liens on the title to the above land.

Relief,	70.00
Apr. 4/22	30.37
Int. to Mar. 31/32	$100.37
	34.21
Payment	$66.16

The debtor, due to climatic conditions existing in the p of the Province in which the above land is situated, found it impossible to continue his farming operations and moved therefr in the middle 1920's with a view to re-establishing himself el e. A letter on file written in his behalf in 1926 indicates that w debtor was at that time an elderly man and made his living fr and chickens with the result that it was very doubtful if he make any headway in his new location even though conditions better. The debtor has not been heard from for the past 16 and it is safe to assume that there is no possibility of ob repayment under the personal covenant.

Tax arrears were allowed to accumulate on the above title was taken to same by the Department of Municipal Affairs 1930 under the provisions of the Tax Recovery Act. Due ly of the land no sale materialized and this property was

Cont.

transferred to the Department of Lands and Mines for administration. The policy of that Department is to hold such land situated in the dry part of the Province available for lease only and due to the small returns received by the lessee very little is realized from these lands and no recovery can be looked for from this source.

As there is no possibility of obtaining repayment of these advances either under the personal covenant or from the security. I would recommend that the balance outstanding be written off.

Provincial Seed Grain Advances of one hundred and twenty-one dollars and forty-eight cents ($121.48) have already been cancelled.

The Department is in receipt of your application on form 36 according to which you were in residence from the 19th of March, 1910, until the 11th of August, following, and continuously from the 19th of March last. I regret to say that the residence performed up until the 19th of March, 1911, can not be grouped so as to make six months in any one year the time so spent can not count to your credit as residence when making application for patent.

For your information I may state that homestead duties must be performed during a period of three homestead years. Under section 16 of the Dominion Lands Act of the 1st of September, 1908, which governs all entries made on and after that date, homestead years can be computed in only two ways, (1) from the date of the entry and (2) from the date of the commencement of residence. Sir,

I am enclosing an application for cancellation completed by H.A.Gross in connection with the N.W.¼ of Section 9, Township 8, Range 11, West of the 4th meridian, also a declaration from Vincent Collins in support of same.

In this connection I desire to point out as follows. The homestead entry in this case being the N.E.¼ of Section 9, in this Township and Range was patented on the 30th of June last. A party appeared here a few days ago to make application to cancel the pre-emption entry and stated that the homesteader had remained in residence until about the 15th of October when he disposed of his homestead entry by sale, that sufficient duties have been performed to keep the entry in good standing until such time as the homesteader has been absent for six months.

It would now appear that there are several parties desiring to cancel this quarter section with a view to securing entry but the duties are not in default in regard to residence and cultivation.

I am to ask therefore, whether or not cancellation notices should issue on the application enclosed herewith or whether the Department will take the necessary steps to have the notices issue.

Sir,

I beg to advise you that it has been represented to this office that Mr. L. N. It is also represented that it is the intention of the purchaser of the homestead entry to apply for cancellation of the pre-emption entry when the same becomes liable.

A number of applicants have appeared at this office to cancel the entry for this land, some of whom maintain that the entry would not be liable to cancellation on the grounds of non-residence, as the homesteader would not have been absent for a period greater than six months for some considerable time. Other parties claim that the homesteader has been absent for a period greater than six months.

It has been decided in view of the conflicting statements in connection with this entry to have you furnish a very careful report as to the residence and cultivation performed in connection with same, in order that if the entry

Sir,

I enclose herewith a report furnished by Homestead Inspector Ripley having reference to the North West quarter of Section 9, Township 8, Range 11, West of the 4th Meridian, the pre-emption entry of Mr. L. N. Swartz.

In this connection I desire to state that several parties have appeared at this office for the purpose of applying for the cancellation of this entry, but the applications were refused on the grounds that the homesteader had not been absent from his homestead for a period greater than six months. According to the report now furnished it appears that the homesteader resided on his land until the 25th November, 1913, and I would ask if it would not be advisable for cancellation notices to issue on instructions from your Department rather than allowing some applicant the privilege of filing an application for inspection against this land.

It has been represented here that the homestead in this case has been sold and that the pre-emption entry has been offered for sale in connection with this transaction.

Ottawa. 27th June 1914.

Sir,

I beg to acknowledge the receipt of your letter of the 8th instant, and in reply to say that according to a Homestead Inspector's report dated the 25th April last, the entrant for the N.W.¼ of Section 9, Township 8, Range 11, West of the 4th Meridian was performing his residence duties in a satisfactory manner up to the 25th of November last.

In view of the foregoing you will therefore understand that the Agent of Dominion Lands at Lethbridge could not accept an application for inspection until after the 25th ultimo.

In view of other information in the Inspector's report, this office instructed the aforesaid official to institute cancellation proceedings, which he did on the 27th of last month, and in the event of cancellation being carried out, the land will then be posted, and disposed of to the first eligible person applying therefor.

Under these circumstances, you will therefore understand that you have no prior right to this quarter-section.

Sir,

With reference to your letter of the 11th inst., your File 2053051, in connection with the pre-emption entry of Mr. L.N.Swartz, for the N.W.¼ of Section 9, Township 8, Range 11, West of the 4th meridian, in which you authorize this office, to cancel an entry for this land and dispose of same at once, I beg to call your attention to the following. In accordance with instructions contained in your circular letter of the 30th of June last your File 2003445, it is necessary in this case (before posting the land to become open for the Public) to give the homesteader adjoining same, fifteen (15) days within which to appear and secure this land as a pre-emption entry.

In the present case it would appear that the only homesteader having the right to secure this particular quarter section as a pre-emption, would be the original entrant Mr.L.N.Swartz, and I am to ask if, in view of this fact, is it necessary to forward notices to Mr. Swartz allowing him fifteen (15) days within which to secure this land.

I might further state that other cases have appeared where a homesteader applied to cancel a homestead entry and was given the usual thirty days option to secure same but that in cases where the applicant did not avail himself of the privilege of securing the entry, it was found that

in

The Secretary.

in complying with the terms of the circular above quoted, it was ~~through~~ necessary to again allow the applicant a period of fifteen days to secure the land as a pre-emption owing to him having a prior right by being the homesteader adjoining same.

As it would appear that this is not the real intention of the Department, I would be glad if you would give me a ruling for use in cases of this nature.

Your Ref. 60028.

Replying to your letter of the 20th ultimo, the contents of which are noted, I beg to say that in this case Mr. L. N. Swartz is of course not entitled to fifteen days notice within which to come forward and secure this land again.

Under the circumstances, you should post it for ten days and dispose of it thereafter to the first eligible applicant.

You ask for a general ruling as to whether fifteen additional days is to be given to the senior adjoining homesteader who, being also the applicant for inspection, has failed to come forward within the thirty days allowed him to make entry. I am therefore to inform you it is not the intention that any one man should have forty-five days within which to avail himself the opportunity of securing a quarter section as a pre-emption appurtenant to his homestead. Under these circumstances, should the homesteader fail to make entry within the thirty days allowed him as applicant for inspection, the quarter section should be immediately posted for ten days and disposed of in the usual way.

Re: Account of John T. Kimmitt,
N.W.¼ 9-9-11-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. John T. Kimmitt received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of the land cleared. The amount outstanding is $377.77 of which $124.87 is principal and $252.90 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Re: Account of John T. Kimmitt

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment. and the liens discharged.

Re; Account of John T. Kimmitt
N.W.¼ 9-8-11-4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $355.36 were advanced to John T. Kimmitt on the security of the above mentioned land. Payments of $53.80 and $200.00 were received in 1915 and 1917, respectively, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$124.87	$252.90	$377.77

Patent was issued in the name of John Thomas Kimmitt for the N.W.¼ 9-8-11-4 on the 22nd of September 1921, subject to the liens.

This quarter-section of land is of low assessed value and has never been revenue producing sufficiently to enable the repayment of the liens. The land is situated in a drough area of the Province where crops have always been very poor and in many cases a complete failure.

In reply to our questionnaire of the 8th of November 1951, the Secretary-Treasurer of Bow Island No. 13, Bow Island, Alberta, advised us that this quarter-section was assessed for only $820.00 and that there was an accumulation of $478.72 arrears of taxes outstanding against the land.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances and in view of the substantial payments already received, it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

W. J. Taylor.

COMMISSIONER

OTTAWA. 24th August, 1927.

The sale is illegal, but apparently was made in good faith, and I would recommend that entrant be advised regarding a Certificate of Reinstatement, and allowed to apply for one, with the object of rendering the transaction legal, after which a limited time could be allowed for payment of a portion of the purchase money.

An alternative course would be to waive forfeiture and declare the sale to be null and void by reason of Sec. 31 of the Act, granting until 1st Dec. to make a reasonable payment on a/c.

25.8.27.

Memorandum,

Mr. Hume.

N.W.¼ 27-4-12-W. 4th M.,
Pre-emption of Martin Meer,
Entry granted 12th January, 1910.
Homestead patented.

This entrant applied for patent claiming duties as shown on Form No. 58 hereunder. Apparently his settlement duties were completed in a satisfactory manner but he failed to make payment of the purchase price, his indebtedness amounting on the 1st November last to $688.06. He also owes nearly $600.00 for Seed Grain and Relief.

A Homestead Inspector's report made on the 8th June last shows that the entrant had left the land and was then at New Westminster, British Columbia. The Inspector states that both the homestead and pre-emption have been sold to John Hill on crop payments. The first two years Mr. Meer is to receive one-third of the crop, after that one-half. The Agreement of Sale is in the Royal Bank at Foremost, Alberta. The Inspector states that there were 200 acres in crop last season. Apparently 130 acres of the pre-emption has been broken.

On receipt of this report cancellation proceedings were instituted against the entry for default of payments and the entrant has filed a defence from Seattle, Washington. He states that he was in continuous residence up to the 26th November last when he became disabled and had to undergo an operation. As he was incapable of carrying on farm work he sold his place on crop payments, his share of the crop to be applied towards the purchase price of the land. He claims that this agreement was made under the advice of his banker at Foremost and he was under the impression that this arrangement would be satisfactory to the Department. He states that he feels sure that the crop will pay the balance due to this office.

In view of the above circumstances, will you please say if the cancellation proceedings may be held over to the 1st November next on the understanding that a substantial payment is made by that date.

Dear Sir :-

Re N.W.¼-27-4-12-w4th M.

John Hill of Gordon ard, Alberta recently consulted me concerning an agreement for sale of land which includes the above described property. The vendor in the a reement is one Martin Heer who I understand in not resident in the States, the property sold by the a reement being the North half of Section 27, 4, 12, w4th M., and obtained by him under homestead and pre-emption entry.

Hill also informed me that some time ago an Inspector from your office had called on him and advised him that Heer had not the right to sell the pre-emption quarter, and that this quarter was then being cancelled. From this I would conclude that Heer did not have the necessary Certificate from your office enabling him to sell the land.

Hill is of foreign extraction and has not a very good grasp of the English language, and of course has very little knowledge of Dominion Land Office re ulations, also the agreement was drawn by some one in the local bank who must have been either ignorant of the re uirements governing the sale of pre-empted land, or very careless of Hill's interests.

Hill has summerfallowed the entire cultivated portion of this quarter being about 120 acres, and it would be a serious hardship on him to lose this. Would you be so kind as to let me know the standing of this land in your office, and if it has been cancelled would it be open for homestead entry by Hill, and if not could it be held by him under some form of lease from the Government.

Re: N.W.¼ 27-4-12-W. 4th Mer., Pre-emption - Martin Meer, Entry granted-12th of Jan., 1910.

Mr. Meer made application for patent on the 16th of March, 1916, claiming sufficient residence duties. He did not apply for certificate of recommendation.

The amount due in this case up to the 1st of November was $719.98.

Mr. Meer is also indebted to the Department for seed grain amounting to nearly $600.00

Inspector Wilcox reported on the 8th of June, 1927;

"not in residence.
"address, New Westminster, B.C.

Inspector states that both pre-emption and homestead have been sold to John Hill, on crop payments, the first 2 years Mr. Meer is to receive one third of the crop, after that ½, the agreement of sale is in the Royal Bank at Foremost, Alberta. There were 200 acres in crop last season.

When this report was received, cancellation proceedings were instituted. Defence was filed from Seattle, Washington, claims continuous residence from March, 1910 to November, 1926.

In answer to question 18, he states;

"I was ruptured & operated by "Dr. McNally at Galt Hos. later was un- "capable of carrying on farm work, because "of my physical condition, and attacks of "rheumatism. Therefore I sold my place on "crop payment, my share of crop to be applied

"the above arrangement was quite satisfactory,
"and wish to assure you it was made with the
"best of intentions."

Please see Commissioner's memorandum of the 27th of August last, (marked) also letter of the 12th of August from G.E. Drysdale,(marked). Mr. Meer was communicated with from this office on the 14th of September and advised that the illegal sale of the pre-emption could not be recognized and that the proceedings would be held over to the 1st of December on the understanding that he would complete payments by that date. No reply was received and he was again communicated with on the 20th of December and reminded that if a satisfactory reply was not received the entry may be cancelled and the land otherwise disposed of.

As no reply has been received, I would suggest that the Agent may be instructed to cancel the entry notwithstanding winter protection now in force and otherwise dispose of the land.

N.½.27-4-12 W.4th M.

This is the homestead of Martin Moer, patented in his name on the 21st April, 1913. In a report dated the 6th June, 1927, our inspector stated that this quarter had been sold to John Hill on crop payments, and that there was on the homestead a house, $250.00, stable, $500.00, granary, $150.00, well, $75.00, other buildings, $25.00. Mr. Moer's address was New Westminster, B.C., but is now Seattle, Wash.

N.W.27-4-12 W.4th M.

This is the pre-emption of Martin Moer, on which there is owing $578.94 to complete payment of the purchase price as on the 1st November, 1928. It is described as chocolate loam with clay subsoil, 150 acres fit for cultivation, 3 acres lake, improvements, fencing, $15.00, 130 acres broken (1927). This quarter also was sold by Mr. Moer to John Hill. In explanation, Mr. Moer stated he had become disabled and sold the farm in good faith believing that he had the right to do so. A payment of $150.00 was made on account of the purchase price of this land on the 15th February, 1928.

S.½ 3-5-12 W.4th M.

This half section was patented to Joseph Snowden on the 22nd June, 1912. Martin Moer claimed ownership of same at the time he secured seed grain, part of which was to be used on this land. There is no information relative to the half section on file.

An application for adjustment has been received. Ref.D-DM-34-M-62.

I beg to acknowledge receipt of your letter of the 21st ultimo, in which you state that the Municipality have made remittances resulting frm a sale of the N.¼ 27-4-12-W.4th M. in the amount of $800.00. In view of the fact that your communication implies that a certain portion of these monies have been applied in error to the purchase price of the N.W.¼ 27-4-12-W.4th M. and contending that this payment be now applied to the seed grain, fodder and relief indebtedness, I would advise you that before definitely informing you in the matter the Agent of Dominion Lands is being communicated with to have it ascertained under what instructions he applied these monies.

Dear Sir:-

As requested in your letter of the 4th instant, I am attaching hereto a statement of the seed grain indebtedness of Martin Moer, charged against the above described land.

Encl.

Security.

N.E.27-4-12 W.4th M.

This is the homestead of Martin Moer, patented in his name on the 21st April, 1913. In a report dated the 8th June, 1927, our inspector stated that this quarter had been sold to John Hill on crop payments, and that there were improvements valued at $1,000 on the land.

N.W.¼ 27-4-12 W.4th M.

This is the pre-emption of Martin Moer, patented in his name on the 12th March, 1930. A sale of this land to John Hill on crop payments had been agreed to by the Department, as Martin Moer had become disabled and was incapable of carrying on farm work. He was then living in Seattle, Washington.

S.W.¼ 3-5-12 W.4th M.

At the time he secured the seed grain, Martin Moer gave the W.½ 3-5-12 W.4th as land which he owned and on which he intended to sow 70 acres of the grain. The N.W.¼ 3-5-12 W.4th was released under the authority of Order in Council P.C. 97/447, dated 27th February, 1931, B.O. 3658. Both quarters were patented to Joseph Snowden on the 22nd June, 1912.

J. Lorne Turner.

Re: Account of Martin Meer,
No. 27-4-12-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Martin Meer received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of the land cleared. The amount outstanding is $749.00 of which $378.85 is principal and $370.15 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relif accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Dear Madam:

RE: NW 27-4-12-W.4th

We wish to thank you for your letter of the 1st of March, 1956, offering the sum of $350.00 to settle the account of Martin Moar charged against the above land. A recent Abstract of Title shows that in addition to our Federal liens there are also certain other mortgages registered against this land for advances made by the Municipal District of Burlington No. 34.

As we believe you wish to have these encumbrances included in whatever settlement is made, we are writing to Mr. S. Cherkas, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, concerning this matter. We expect that he will get in touch with you in the next few days.

Yours very truly,

J.K. LaChapelain,

Dear Sir:

RE: NE 27-4-12-W.4th

We are enclosing a copy of a letter received from Mrs. H. Linderman concerning the account of Martin Moar charged against the above land. A recent Abstract of Title shows that in addition to our Federal liens there are three other liens registered against this land for advances made by the Municipal District of Burlington No. 34. These liens are numbered 4429 B.Y. and 4600 C.B. and are in the amounts of $34.00, $66.00 and $654.20.

In view of these it will be appreciated if you will investigate this account and advise Mrs. Linderman as to whether the proposed offer is acceptable. If it is satisfactory to you we are agreeable to having this payment applied on a prorated basis to our accounts.

Yours very truly,

J.J. LaChapelain,
Chief, Lands Division.

Sir,

Re- S.½ 6-4-5-W. 4th M.

I beg to direct your attention to your homestead and pre-emption entries for the above land and to request that within thirty days of this date you satisfy the Agent of Dominion Lands at Calgary as to your intentions with regard to performing the duties on this land and making application for patent. According to evidence on file your military service may count as the performance of residence duties and would satisfy the Department in this regard so far as your homestead is concerned.

As soon as you have thirty acres of your homestead broken and prepared for crop you would be in a position to apply for patent for this quarter-section, but in order to earn patent for your pre-emption it would be necessary for you to perform at least six months' residence on either your homestead or pre-emption and to complete the necessary cultivation duties.

As your homestead entry is over five years' old it is liable to the institution of cancellation proceedings for failure on your part to apply for patent within this time and, therefore, you are requested to advise the Agent of Dominion Lands at Calgary within the time allowed as to your intentions.

I beg to refer to your communication of the 24th May last requesting information as to whether you can prove up on the above described half-section without appearing personally at the Dominion Lands Office, and in reply I am to say that it is regretted that you were not advised in this connection sooner.

According to the evidence on file in the Department it would appear that you may possibly have completed sufficient duties on the land which taken in conjunction with your military service would entitle you to make an application for both homestead and pre-emption entries. The purchase price of your pre-emption entry will, of course, require to be completed.

If you are unable to appear personally before the Agent of Dominion Lands at Lethbridge and if you are still residing in the United States it will be necessary for you to furnish this Department with the name and address of a notary public before whom you desire to appear for the purpose of making applications for patent. He will be furnished with the necessary authority by the Department to accept your applications and same will then be forwarded to the Agent of Dominion Lands at Lethbridge together with the names of two witnesses who are in a position to corroborate your evidence and this official will place the applications in the hands of a Homestead Inspector for completion.

Kindly communicate with the Department within a period of thirty days and furnish the name of the notary public or state what your intentions are with regard to making applications for patent for this land.

MEMORANDUM.

Mr. Hume:

S.E.¼ 6-4-5-W.4th M.
Homestead - James I. Hunter.
Entry granted 23rd July, 1915.

Application to have patent for this land vested in the Soldier Settlement Board under Section 27 of the Soldier Settlement Act, 1919, Chapter 71, 9-10, Geo.V. (Salvage Case).

This entrant has obtained advances on the security of the above land from the Soldier Settlement Board.

Amount:- $2973.00
Purpose:- Payment of pre-emption dues and for stock, equipment and permanent improvements.

In a memorandum hereunder dated the 25th May last, the Soldier Settlement Board report that after residing on the farm until the fall of 1922, the settler abandoned the property without informing the Board as to his intentions. It was reported that he proceeded to the United States and all the Board's efforts to get into communication with him were fruitless Under the circumstances the Board instituted adjustment proceedings and the settler's agreement was rescinded. A Vesting Order for the Minister's signature was attached with the request that the land be vested in the name of the Soldier Settlement Board.

It was pointed out to the Board that in May last the entrant wrote the Department from San Francisco to know if he could apply for patent for his homestead and pre-emption without going to the Agency and in view of this information the Board decided to make another effort to have him return. It is now stated that the District Superintendent at Calgary has received no reply to the numerous communications addressed to the settler requesting him to apply for patent in the usual manner. Under the circumstances the issue of patent in the name of the Board is requested.

It is suggested that the necessary action be taken to have patent for this land issue in

the name of the Board.

A separate vesting order has been forwarded in connection with this settler's pre-emption. the South West quarter of Section 6, Township 4, Range 5, West of the 4th Meridian, and is dealt with on the file for this latter quarter section.

...Hewlett, Esq.,
Secretary,
Seed Grain Adjustment Board,
Edmonton, Alberta.

Please expedite report in this case.

3rd August, 1938.

Re Harry Neilson, Wanyberries, Alta.

Dear Sir:-

In reply to your inquiry of the 21st ulti o, I beg to advise you that the report of the Seed Grain & Relief Adjustment Board at Edmonton has not yet been received.

The procedure followed is to make application either to the Board or to this office, but as c certain information from our records is required by the Board, it will save time to apply direct to this Department. Particulars regarding the amount outstanding and such information as is on our files regarding the land and the debtor is forwarded to the Board. The Provincial staff under the Debt Adjustment Act then inve tigates and reports to the Seed Grain & Relief Adjustment Board, and on that report the Board bases its recommendation to the Federal Government for adjustment or apportionment of the indebtedness. On receipt of the Board Order in this office, the recommendation is referred to the Treasury Board for ratification by Order in Council.

You will appreciate that some little time must elapse from the date of application for adjustment to the passing of the Order in Council.

It is noted from our general file that Bulletin No. 9, issued by the Department of Finance, gives particulars of the procedure. The name of the representative of this Department is shown as Alex. Norquay, Edmonton, but is now J. H. Varey, District Superintendent, S.B.C., Edmonton. Information regarding debts other than seed grain and relief may be obtained from Mr. H.F. Gordon, Department of Finance, 114 Wellington Street, Ottawa.

Yours very truly,

J. Lorne Turner,

RE: Account of Harry Neilson
N.W. ¼ 6-4-5-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 relief amounting to $37.45, was advanced to Harry Neilson on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 37.45	$ 75.78	$ 113.23

Patent was issued in the name of Harry Neilson for the N.W. ¼ 6-4-5-W.4th on the 14th of June, 1919.

According to an Abstract of Title dated the 1st of February, 1936, this quarter section of land now stands in the name of the Minister of Municipal Affairs of the Province of Alberta, clear of any encumbrance.

As the liens are not registered against the land and there is no further security for our advances, it is recommended that the indebtedness be cancelled.

Dear Sir:

Re: NW 2-4-1 -W4th

The duplicate certificate of title to this property, now registered in the name of Fortunate Joseph Collin of Goddard, shows liens registered by the Crown against the former owner, W. Crites, as follows:

Seed grain, July 7, 1915	40.00
Seed grain, Sep. 20, 1915	20.00
Seed grain Dec. 7, 1916	40.00
Relief, Dec. 27, 1916	20.00

In discussing the matter with Mr. Collin, today, he claims that these liens were discharged by Crites many years ago. Will you please verify this and if it proves the case, have a discharge of the liens registered?

Dear Sir:-

In reply to your letter of the 2oth.inst. will say that I must have been mistaken when talking to the Inspecter as it was to the Provincial Government I paid and I did not know then they were different but after receiving your letter I have enquired and found that it was to the Provincial Gov, that hte Bank paid and I did not know the difference.

I sold everything I had last year and paid on my debts so as to clean up as much as possible but as horses and cattle are cheap now I am starting up again and will try to get my field summerfallowed this year and put in crop next year and will try to pay you from that crop.

Yours truly,

Farmers' Creditors Arrangement Act

GOVERNMENT OF CANADA
DEPARTMENT OF FINANCE
OFFICE OF THE OFFICIAL RECEIVER

AT Medicine Hat.

June 21st, 1938.

Mr. J. L. Turner,
Registrar of Lands,
Department of Mines and Resources,
Ottawa, Ont.

Dear Sir:

Re: Harry Neilson, of Manyberries, Alberta.

The above farmer has submitted to me a proposal under the Farmers' Creditors Arrangement Act, and I enclose Form "A", Proposal, Form "J", together with form of Proof of Debt and voting paper.

You will note that he has not included any claim by your department but a search in the Land Titles Office at Calgary has revealed the following item;-

"S.C.Lien : Harry Neilson to Crown - $37.45 @ 5%
(Relief), Regd. 30 Dec. 1916 - 256 B.C.".

Evidently the farmer has over-looked or forgotten this old debt. As it would take me about ten days to obtain a reply from him through the mail and I would like to have particulars before the meeting I am asking that you file with me Proof of Debt and also what the Department is prepared to do in regard to a compromise. I believe that a compromise of the other debts will be reached at or prior to the meeting. As there is little time for negotiations I would appreciate your very best consideration on behalf of this debtor.

Yours very truly,

Walter D. Gow,

Official Receiver, J.P. of Medicine Hat.

On July 6th, 1938, you wrote me in reply to my letter to you of June 21st, in regard to a Seed Grain Lien against Harry Neilson against the S.W.¼ of 6-4-5-W.4th. In your letter you stated that the account was being referred to the Seed Grain Adjustment Board at Edmonton, and that I would be further advised in due course. To date I have not received such advise.

In a previous matter I was referred by Mr. T. Newlett, of the Department of Municipal Affairs, at Edmonton, to you. In this matter I am referred to Mr. Newlett. If it is not too much trouble I would like to have some information as to the manner of getting an adjustment of these old Seed Grain Liens. In applications under this Act they will be cropping up and I would like to know how I am to proceed in order that a settlement may be arranged, not only with your Department but with the other creditors.

I would like to know what adjustment of Mr. Neilson's debt is to be made.

Yours very truly,

Walter D. Gow,

Re Harry Neilson, Manyberries, Alta.

Dear Sir:-

In reply to your inquiry of the 21st ulti o, I beg to advise you that the report of the Seed Grain & Relief Adjustment Board at Edmonton has not yet been received.

The procedure followed is to make application either to the Board or to this office, but as c certain information from our records is required by the Board, it will save time to apply direct to this Department. Particulars regarding the amount outstanding and such information as is on our files regarding the land and the debtor is forwarded to the Board. The Provincial staff under the Debt Adjustment Act then inve tigates and reports to the Seed Grain & Relief Adjustment Board, and on that report the Board bases its recommendation to the Federal Government for adjustment or apportionment of the indebtedness. On receipt of the Board Order in this office, the recommendation is referred to the Treasury Board for ratification by Order in Council.

You will appreciate that some little time must elapse from the date of application for adjustment to the passing of the Order in Council.

It is noted from our general file that Bulletin No. 9, issued by the Department of Finance, gives particulars of the procedure. The name of the represen- tative of this Department is shown as Alex. Norquay, Edmonton, but is now J. H. Varey, District Superintendent, S.S.C., Edmonton. Information regarding debts other than seed grain and relief may be obtained from Mr. H.F. IN THE MATTER OF a proposal for a composition, extension of time or scheme of arrangement, relative to the affairs of:

HARRY NEILSON,

of MANYBERRIES, in the Province of Alberta, Farmer, Applicant.

IN THE BOARD OF REVIEW:
BEFORE:
Hon. Chief Justice C. R. Mitchell, Chief Commissioner,
George B. McLeod, Esq.,
F. H. Holmes, Esq.,
Commissioners.

Heard at Medicine Hat, Alberta,
the 29th day of June, A. D. 1939.

The Applicant duly filed with an Official Receiver, as required by the Act, a proposal for a composition, extension of time or scheme of arrangement with respect to his liabilities but an agreement, contemplated by the Act, not having been reached with all of the Applicant's creditors at the statutory meeting convened by the Official Receiver, the Applicant thereupon duly filed a written request, that the Board endeavour to formulate an acceptable Proposal to be submitted to him and to his creditors.

Pursuant to notice given to the Applicant and to his creditors as disclosed, the Board has duly heard and considered representations made by or on behalf of the Applicant and those of his creditors who appeared either in person or through a solicitor or agent or who made representations in writing.

The Board finds that the Applicant is a farmer within the meaning of the said Act, that he is unable to meet his liabilities as they become due and that he is entitled to the benefits of the Act.

The Board bases the undermentioned proposal upon the present and prospective capability of the Applicant to perform the obligations prescribed, and the productive value of his farm.

Nothing contained in this proposal shall be deemed to revive or give validity to any debt in respect of which payment is at this date barred by the Statute of Limitations of the Province of Alberta.

The terms and provisions of all existing securities and documents relating to or evidencing any indebtedness of the Applicant to any of his creditors named herein, including any right of acceleration on default shall continue in full force and effect, except as hereby expressly modified.

Whenever the singular and masculine are used throughout this proposal with reference to the Applicant or Applicants, the same shall be construed as meaning and including the plural or feminine, where the context or the number or gender of the party or parties hereto so require.

The Applicant shall have the privilege of prepaying the whole or any portion of any moneys payable under this proposal at any time without notice or bonus upon first paying any arrears accrued hereunder.

This proposal shall not without the concurrence of the creditor, apply in the case of any debt incurred after the 1st day of May, 1935.

PROPOSAL.

THE BOARD ACCORDINGLY FORMULATES THE FOLLOWING PROPOSAL FOR SUBMISSION TO THE DEBTOR AND THE CREDITORS:-

1. WITH regard to the claim of the GOVERNMENT OF THE PROVINCE OF ALBERTA, or DOMINION OF CANADA, for Seed Grain Lien or Relief Advances, it appearing that such claim is being the subject matter of adjustment by The Seed Grain and Relief Adjustment Board, the Board makes no proposal with respect to the said claim.

2. WITH regard to the claim of the GOVERNMENT OF THE PROVINCE OF ALBERTA, DEPARTMENT OF MUNICIPAL AFFAIRS for taxes and for seed, feed, and fodder advances, as the liability for such claim appears to have been incurred in the years 1937 and 1938 the Board makes no proposal with respect to the said claim.

3. THAT the claim of the DIRECTOR OF SOLDIER SETTLEMENT OF CANADA shall be fixed at the sum of $1100.00 as at the 7th day of June, 1938, principal and interest, which said sum with interest thereon from the said date at the rate of five (5%) per cent per annum, shall be payable as follows:-

> In ten (10) equal, consecutive, annual, amortized instalments of principal and interest on the 1st day of October in each of the years 1939 to 1947, both inclusive.

As collateral to the annual instalments due hereunder, the Applicant shall deliver to the said Director in each year until the said sum and interest is fully paid, a full one-fourth (¼) share of all crops grown on the South Half of Section Six (6), Township Four (4), Range Five (5), West of the Fourth (4th) Meridian, provided that if the proceeds of such share of crops shall exceed the payment or payments due or in arrears hereunder, the excess may be retained by the Applicant.

4. WITH regard to the claim of AVERY POWER MACHINERY COMPANY LIMITED it appearing that such claim has been settled, the Board makes no proposal with regard thereto.

5. WITH regard to the claim of CORA COURTNEY it appearing that such claim was incurred subsequent to the 1st day of May, 1935, the Board being without jurisdiction makes no proposal with regard thereto.

6. WITH regard to the claim disclosed as owing to the GOVERNMENT OF THE PROVINCE OF ALBERTA, DEPARTMENT OF LANDS AND MINES for grazing rental it appearing that the liability for such claim was incurred subsequent to the 1st day of May, 1935, the Board makes no proposal with respect thereto.

S.W.¼ 6-1-10-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain amounting to $144.50 was advanced to Ole A. Lerobe on the security of the above mentioned land. A payment of $25.00 was received in 1926 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$144.50	$347.83	$492.33

The S.W.¼ 6-1-10-W.4th was formerly the homestead entry of the debtor whose entry was later cancelled. The land was re-entered upon by a Mr. L. W. Kolesar to whom patent was later issued and there is no record of the lien ever having been registered against the land.

According to an Abstract of Title dated the 31st of January, 1956, this quarter-section of land now stands in the name of a Mr. Louis William Kolesar of Aden, Alberta, clear of any encumbrance.

As the lien is not registered against the land and there is no further security for our advance, it is recommended that the indebtedness be cancelled.

BOARD ORDER

5-B-11.
FCAA 301.

Dec. 19, 1947.

Mr. J. W. Judge,
Chairman,
Seed Grain & Relief Adjustment Board,
EDMONTON, Alberta.

Dear Sir:

Re: John Russell Blackmer, Jr.
S½ 2f & E½ 15-1-14-4.
Joint Relief Advances.

The above party obtained Provincial Seed Grain and Joint Relief Advances which he was unable to repay as his circumstances did not improve over a period of years. In 1935 the debtor made application for an adjustment of his liabilities under the Farmers' Creditors Arrangement Act at which time the advances stood as follows:

Seed Grain.

Aug. 20/19	$ 50.00
Apr. 12/20	748.75
Bank Int.	102.13
Aug. 24/31	186.80
Apr. 24/31	82.94
	$1,080.62
Int. to Mar. 31/35	968.54
	$2,049.16

Joint Relief.

Dec. 3/19	$ 160.50
Apr. 27/20	564.00
May 5/20	149.50
	$ 874.00
Int. to Mar. 31/35	750.01
	$1,624.01
Payments	445.30
	$1,178.71

(cont.)

As security for these advances liens were given on the title to the above land.

The Board of Review under the Farmers' Creditors Arrangement Act considered that this individual was worthy of assistance and set the amount outstanding in respect of the Seed and Relief Advances at five hundred dollars ($500.00) plus interest of five percent (5%) per annum from April 27th, 1935. As conditions did not improve for some few years after the date of the proposal the debtor was unable to take advantage of this reduction, but has now approached this Branch through his solicitors in this connection. Of the above account the balance outstanding in respect of Seed Grain in 1935 represented 63.45% of the whole while the amount outstanding in respect of Joint Relief 36.52%. The amount outstanding under the Farmers' Creditors Arrangement Act proposal including interest to September 27, 1947, when distributed on the percentage quoted, is as follows:

Seed Grain	$499.91
Joint Relief	287.59
	$787.50

The Provincial Seed Grain Advances were cancelled under the provisions of the Relief Indebtedness Act of 1939 as the debtor is still in occupation and farming his land. There remain, therefore, only the Joint Relief Advances to be settled in order that he may clear his land, and a sum of two hundred and eighty-seven dollars and fifty-nine cents ($287.59), representing that portion of the settlement applying to Joint Relief as set out above, has been received. As the sum received is in accordance with the proposal formulated under the Farmers' Creditors Arrangement Act and as the proposal was approved of by the Board of Review I would recommend that the offer be accepted, the balance of the account being written off and the liens discharged.

Yours very truly,

W. McFarlane.

Re: Account of Walter Nugis
S.E.¼ 10-4-12-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919, 1920 and 1921 seed grain amounting to $318.95 was advanced to Walter Nugis on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$318.95	$809.79	$1,128.74

The S.E.¼ 10-4-12-W.4th was formerly the homestead entry of the debtor on which security he obtained advances of seed grain in 1919, 1920 and 1921. His entry was later cancelled and the land is still unalienated Crown land held in the right of the Province.

This quarter-section is now under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is presently included in a lease issued in the name of a Mr. Glen L. Rimmer of Lucky Strike, Alberta.

According to an Abstract of Title dated the 9th of February, 1956, this quarter-section is still unpatented Crown land held in the right of the Province, clear of any Federal encumbrance.

As the lien is not registered against the land and there is no further security for our advances, it is recommended that the indebtedness be cancelled.

Sir,

I beg to acknowledge the receipt of your letter dated the 15th instant, ref.-23262, enclosing a letter from Mr. Jos. Hengesbach, with regard to the cancellation proceedings pending against his entry for the N.E.¼ of 18--5--8, W. 4th M., and in this connection to inform you that, judging from the information on file here, it would seem that Mr. Hengesbach's settlement duties have practically been completed.

Before arriving at a final decision on this point, it is considered advisable that a Homestead Inspector should be called upon to visit the land with a view to furnishing a detailed report setting out the residence performed, the improvements made, and the cultivation duties done by the entrant.

Kindly see that this report is furnished as soon as possible and also advise Mr. Hengesbach that his statements with respect to settlement duties are being inquired into.

Commissioner

The entrant is a German Hungarian and according to a Mr Inspr's report is badly in default - in his duties - do not think he is entitled to any further consideration.

15th August, 1916.

MEMORANDUM.

MR. HUME,-

North ½ of 18,-5,-8,-W. 4th Mer.

Homestead & pre-emption of Jos. Hengesbach, May, 1911.

Cancellation proceedings instituted 1st April, 1916.

1037

The entrant in this case, in a letter bearing date the 21st of March last, and which was delayed, filed in defence of the cancellation proceedings instituted latter, claimed that he had left Canada and had gone to the United States when the present War broke out and that as he was of German birth he was afraid to return until after peace was declared and that he had filed with the Department, prior to leaving, a statement of the settlement duties performed. According to that statement he had practically completed sufficient duties to entitle him to apply for patent for the homestead quarter-section.

Cancel unless before must work

In view of the statement filed prior to the institution of cancellation proceedings as regards the settlement duties performed, it was deemed advisable to get a report from a Homestead Inspector before acting further on the cancellation proceedings pending.

Homestead Inspector Huntley now reports, under date the 27th ultimo, irregular periods of residence performed during the years 1912 and 1913 and no residence since. This, it will be noted, is less than that claimed in the statement filed, or at best two terms of residence and none since 1913.

The improvements are stated to consist of

House, 10 X 12, ...$20.00
30 acres of breaking, no value.

While the pre-emption is certainly in default and should be cancelled, according to the Homestead Inspector's report the homestead is also in default.

In view

In view of the foregoing and the entrant's stated intention of not returning until after Peace is declared, a final notice would not have the desired effect.

Under the circumstances I recommend summary cancellation.

Recommended.

Dear Sirs —

I was in Medicine Hat to put in a cancellation on N. ½ 18 - Township 5 - Range 8 and I was informed by the Agent that I could only cancel the N.E. ¼, the S.E. being reserved for Bird Sanctuary, but was advised by the Agent to write you in regards to the matter. The N.W. ¼ has the improvements on it, including, Well, Cattle dug, barn, house + etc, which would be hard to transfer to other quarter. The N.W. ¼ is really the best quarter and runs down to a coulee for water. It is not on the lake but quite a strip of land lies between it and the lake. Would there be any possible chance for me cancelling the ½ as I intended.

RE SEED GRAIN

Sir:-

In reply to enquiry regarding seed grain, I have to imform you that it is noped that settlers will be able to provide themselves with seed this year without looking to the Dominion Government for help. The prosecution of this war has imposed, with its very heavy expenditures and vast amount of work, a heavy burden on the Federal Government, which calls for the greatest possible cooperation on the part of all residents of Canada. Under the circumstances this Department will grant assistance only to destitute homesteaders, and furnish seed grain under the following conditions:-

1. Applicant must be a homesteader on unpatented land, and in destitute circumstances, or who has lost his crop lastyear by some calamity, and whose land would have to go unseeded but for the aid of this Department.

2. Only sufficient seed will be allowed for the acreage already under cultivation, and not more than 150 bushels of grain to any person.

3. All applications, before receiving any consideration from this office, will have to be certified to by the Dominion Lands Agent, in whose district the land is situated. This certificate to show that the land described was fyled upon by the applicant, is in good standing and patent not issued.

4. Provided seed grain can be purchased locally by applicants, it is not the intention of this Department to ship any seed from outside points. Applicants should give name and address of the party, or parties from whom the seed they require can be purchased, and state the price per bushel, the Department to pay for the seed after the liens and all papers are properly completed and approved.

5. If the applicant receives favourable consideration, an official order will be issued from this office, accompanied by liens. The party to whom this order is made out, will supply to the settler the amount of seed stated thereon, after the lien has been signed and completed by the applicant and a receipt given for the grain so received. Any changes made in the papers cancels same. The party supplying the seed will attach his account in triplicate also the order and the receipt for the grain, together with executed liens in duplicate, and send same immediately to this office. After all papers so received are found to be properly completed, a departmental cheque will be issued to cover the advance.

6. This Department will not be responsible for purchase of seed grain unless an official order is issued.

7. All settlers on patented land must apply to the Secretary-Treasurer of their Municipality.

8. Any applicant securing seed grain from this Department through any misrepresentation will be severely delt with.

Enclosed please find application blank.

Re: Account of Grover Samuel Gorton
S.E.¼ 6-30-5-W.5th
N.E.¼ 18-5-8-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1918 seed grain amounting to $81.60 was advanced to Grover Samuel Gorton on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$81.60	$154.63	$236.23

Patent was issued in the name of Grover S. Gorton for the N.E.¼ 18-5-8-W.4th on the 15th of October, 1920. The S.E.¼ 6-30-5-W.5th was formerly the second homestead entry of the debtor whose entry was later cancelled and the land is still unalienated Crown land held in the right of the Province.

According to an Abstract of Title dated the 31st of January, 1956, the N.E.¼ 18-5-8-W.4th now stands in the name of Her Majesty the Queen in the right of the Province of Alberta as represented by The Minister of Lands and Forests, clear of any encumbrance; while the S.E.¼ 6-30-5-W.5th is shown as unpatented Crown land held in the right of the Province, also clear of any encumbrance.

As the lien is not registered against the land and there is no further security for our lien, it is recommended that the indebtedness be cancelled.

Sir:-

I beg to acknowledge the receipt of a statutory declaration of the 22nd ultimo, submitted in defence of your pre-emption entry for the NW¼ of section 21, township 1, range 10, West of the 4th Meridian. Your statement shows that your pre-emption entry is at present in default and liable to summary cancellation as you have not completed residence subsequent to earning title to the appurtenant homestead. The terms of your pre-emption entry require the completion of three years' residence and cultivation in addition to the residence and cultivation necessary to complete the settlement duties in connection with your homestead entry.

In view of the cancellation proceedings pending against your pre-emption, it is essential, if you desire to retain the land, to immediately go into bona fide residence with the intention of complying with the homestead regulations. You should furnish the Agent of Dominion Lands at Medicine Hat with sworn evidence that you have gone into bona fide residence.

I submit this case for instructions regarding the advisability of restoring Mr. Metcalf in his pre-emption entry.

Patent for the homestead issued in September, 1914.

In December, 1917, he was advised of the standing of his entry and warned to go into residence.

As he was not again heard from a report was called for.

The case was submitted on the 17th ultimo, and on the strength of the report the Agent was authorized to cancel.

In the meantime the Agent received from the pre-emptor a communication bearing date the 16th idem, and has forwarded the same here for instructions in view thereof, stating that no action will be taken towards disposing of the land until further instructions are received from here.

Mr. Metcalf's letter reads as follows:

"I got a letter from the land office at

Memorandum:

Mr. Hung.

Re N.W.¼ 31-1-10-W.4th M.
Cancelled pre-emption of
Alvin Casper Metcalf,
withheld from disposition
pending a decision by the
Department.

This case is submitted for instructions regarding the advisability of restoring Mr. Metcalf in his pre-emption entry.

The patent for the homestead, the South West quarter of the same section, issued in Mr. Metcalf's name in September, 1914.

Cancellation proceedings were instituted against the pre-emption in November, 1917, and the defence filed showed nothing done in the way of settlement duties since applying for patent for the Homestead.

He was advised as to the standing of his entry and advised to go into residence but as nothing was heard from him a Homestead Inspector's Report was ordered.

When the Inspector's Report was received Mr. Metcalf was told that unless he furnished some satisfactory explanation in respect to the case the entry would probably be cancelled and he was allowed thirty days.

Nothing was heard from him and the case on being submitted instructions were to cancel the entry and this action was carried out in October, 1918.

After the instructions were issued to cancel the entry the agent forwarded a letter dated the 16th October, which he had received from Mr. Metcalf wherein he stated that he received our letter saying that he would have to write and advise the agent why he was not on the land after he had proved up his homestead and gave as the reason that he had been under the doctor's care ever since he proved up the homestead but he was now on the land also his son and he would stay there until next fall but if he had to go away to doctor he would write for a leave of absence.

When this letter was received the

instructions

---

instructions were to call for a full report from a Homestead Inspector and in the meantime the land be held from settlement.

On the 9th April, the entrant forwarded a Medical Certificate from Dr. G. M. Coffin of Drake, North Dakota, setting forth that Mr. Metcalf had been under his care for about two years and was physically unable to do any manual labour whatever and any slight exertion would cause a hemorrhage.

The Homestead Inspector's Report is now to hand and is as follows:

"Upon visiting this land, I find that "Mr. Metcalf who still owns his homestead, the "S.W.¼ of Section 21, Township 1, Range 10, "West of the 4th Meridian has only lived on this "land for a few weeks each summer since proving "up on his homestead but not long enough to "count as bona fide residence in any one year. "Mr. Metcalf is very sickly and therefore unable "to live so far from medical assistance. His son, "C. C. Metcalf at present lives on the Ranche and "he stated to me that his father had really performed "no settlement duties on this land since proving up "his homestead. I might add that there is nothing "at all on the pre-emption, the North West quarter "of above section, but that at the time of the "application for patent for the homestead there was "a hundred and ten of breaking on the homestead when "said hundred and ten acres had been credited in the "following years 1915, 1916 and 1918."

It appears from the report of the Doctor that Mr. Metcalf is not in a position to complete the required duties and possibly the Department might consider selling the land to him at a further sum of $3.00 per acre in lieu of further duties.

MEMORANDUM

N.W.¼ of 21-1-10-W. 4th M.
Cancelled pre-emption of
Alvin Casper Metcalf.
Withheld from disposition
pending a decision by the
Department.

The facts of this case are set out in Mr. Tupper's memorandum hereunder, dated the 6th instant.

It would appear from the information furnished that the entrant has fulfilled the requirements with respect to cultivation, and that he has erected the necessary buildings.

He has also furnished a medical certificate which shows that it was probably solely owing to ill health that he did not perform any further residence subsequent to earning title to his homestead.

Under the circumstances I would suggest that the entry be restored and that the case be dealt with under subsection 2 of section 20 of the Act, relieving the entrant of further residence, or under a recent amendment to the Act whereby on paying an extra $3.00 per acre for the quarter-section, Mr. Metcalf would be granted patent therefor without being called upon to perform any further duties.

Respectfully submitted,

J. W. Greenway, Esq.,
Commissioner of Dominion Lands,
Ottawa.

Sir,

I beg to inform you it has been decided, in view of information now obtained by a Homestead Inspector, to reinstate you in your pre-emption entry for the above described land and permit you to obtain patent for the same by the payment of an additional $3.00 per acre in lieu of the completion of the required residence duties.

You will require, of course, to show that the requisite cultivation duties have been completed or that you are in good standing in as far as cultivation is concerned when you execute your application for patent and complete your payments.

Kindly advise the Department as soon as possible as to whether you desire to accept this proposition.

MEMORANDUM:

Mr. Mums,

Application for patent,
Mr. Alvin Casper Metcalf.
For his pre-emption, N.W.¼ of 21-1-10, West 4th M.
Not recommended.

This man made application for patent on the 22nd of October, 1919, and has completed the necessary cultivation duties.

In May, last, Mr. Metcalf was advised that it had been decided to give him an opportunity to secure patent for the pre-emption by paying an extra $3.00 per acre in lieu of further residence duties.

According to Patent Branch nothing has been paid yet in connection with the pre-emption and Mr. Metcalf has applied for a Certificate of Recommendation.

I presume that Mr. Metcalf is entitled to a Certificate of Recommendation but as this is the first case that has come before my notice, I submit the matter for your consideration.

Re S.E.16-1-17-W.4th.

I am in receipt of your letter of the 14th instant, your file 109, and in reply beg to advise that Mr. R.M. Richardson's indebtedness is in connection with the S.W.15-1-17-W.4th (his homestead) and the S.E.16-1-17-W.4th (his pre-emption).

The S.E.16-1-17-W.4th., was patented to Mr. Albert Sandows on the 7th April,1914, and the Seed Grain indebtedness of Mr. Richardson should not be registered against this land.

I may say in this connection that the Seed Grain lien for $108.15 was made out in error against the S.E.16-1-17-W.4th., but has since been altered to the S.W.15-1-17-W.4th.

The following is a detailed statement of Mr. Richardson's indebtedness:

Principal Seed Grain

Re SW¼ 16-1-17-W.4th M.

Referring to Mr. Cuttle's letter of the 14th ultimo, on file hereunder you will observe from Mr. Campbell's statement that the correct land description should be the SE¼ 16-1-17-W.4th M. and the SW¼ 15-1-17-W.4th M., Mr. Richardson's liens having been wrongfully placed against the SW¼ of Sec. 16 standing in the name of Albert Meadows.

Since first receiving these files Mr. Cuttle's letter of the 31st December has been attached to file No. 2083138 in which it is stated that Richardson's neighbor on the SW¼ has also received a statement of the indebtedness covered by Richardson's liens.

I presume the necessary steps may be taken here to have the Registrar remove the liens from the SW¼ without requiring any further documentary evidence.

I would therefore request you to communicate with the Agent of Dominion Lands at Lethbridge, within the next thirty days stating when the substantial payment may be expected.

Kindly note that should you not be heard from within the time allowed, it may be taken as an indication that you are no longer interested in the land and cancellation will be instituted.

Sir,

Re S. 7. 24, 9, 12 74th mer.

I beg to acknowledge receipt of your application for patent for the above land, from which it would appear that you obtained homestead entry for other land, which land was subsequently patented to you, but you do not give any description of such land. From evidence on file it would appear that you obtained Letters Patent for the South half of the North West quarter of Section 16, Township 2, Range 9, West of the Principal Meridian.

It will be necessary, therefore, for you to furnish a full description of the land which you previously homesteaded in the form of a statutory declaration, form for which purpose is enclosed herewith. Your signature to such form must be attested before some person authorized to administer oaths, and the form, thereafter, returned to this office when your application for patent will be further considered.

RE: Account of Wm. Tole (deceased)
S.W. ¼ 24-9-12-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $215.00 were advanced to Wm. Tole on the security of the above mentioned land. A payment of $23.62 was received in 1915 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$192.62	$392.08	$584.70

Patent was issued in the name of William Tole for the S.W. ¼ 24-9-12-W.4th on the 11th of April, 1916, subject to the liens.

This quarter section is of low assessed value and has never been revenue producing sufficiently to enable the repayment of the liens. The debtor died in 1924 and in 1925 the homestead inspector in a report advised that the land had not been used for several years and that the Municipality had tried to sell the land but could get no buyer.

Title to the land was acquired by the Municipal District of Forty Mile No. 64, under the arrears of Taxes Act. The municipality has been unable to dispose of the land by sale and according to an Abstract of Title dated the 6th of February 1956, the land still stands in the name of the M.D. of Forty Mile No. 64, subject to the liens.

In reply to our questionnaire of the 8th of November, 1951, the Secretary-Treasurer of the Municipality advised us that the land was assessed for $500.00 and that there was an accumulation of $581.71 arrears of taxes outstanding against the land.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

W.J. Taylor.

Dear Sir:

Re: W. A. Anderson
W.½ 13- 30- 9- W.4th

I would refer you to my letter of January 3rd 1930. The Crown liens on title to this property are for $80.50, $13.60 and $40.00 and are apparently registered to secure advances made by you to Steve McDonell. He became registered owner of the property on June 11th 1927 and by virtue of the provisions of Subsection 2, Section 4, Chapter 14 of the 1915 Statutes of Alberta these liens were placed on the title by the Registrar of the Land Titles Office at Calgary.

I do not intend to make any recommendation to dispose of these liens at the present stage. You will recollect that I have already made recommendations dealing partially with this man's seed grain and relief indebtedness to which effect has been given by Board Orders 819 and 2866. I presume that you will receive a copy of the latter mentioned Board Order in the course of the next few days.

There is a joint relief advance of $46.80 which forms a charge on this property. I am dealing with that in the report to the Seed Grain Adjustment Board at their next meeting.

Dear Sir:

Re: Walter Andrew Anderson - Seed Grain and Relief Indebtedness - M.D. of Sounding Creek #273
W.½ 13- 30- 9- W.4th

On April 15, 1922, the Municipal District of Sounding Creek #273 made a seed grain advance of $92.35 and a relief advance of $46.80 to Walter Andrew Anderson, on the security of his promissory notes and of agreements for liens on W.½ 13-30-9-W.4th. They obtained no repayment from Mr. Anderson who left the district many years ago and was last heard of in Oregon in 1926.

They duly registered liens on title to W.½ 13- 30- 9- W.4th, but they were subsequent to a mortgage to the Canadian Bank of Commerce for $1395.85, who obtained a transfer from Mr. Anderson and requested the Municipal District to release the liens upon payment of $100.00 in order to obviate the necessity for foreclosure proceedings.

On June 4, 1927 the Council of the Municipal District passed a resolution to accept the offer made by the Bank. In explanation the Secretary-Treasurer has informed me that in his opinion, foreclosure would have resulted in removal of the liens without payment.

I have divided the sum of $100.00 pro rata between seed grain and relief in the following manner:

Seed Grain	$66.44
Relief	33.56
	$100.00

The Municipal District still hold this sum in their trust account. I have requested them to pay it to me so that it may

E. J. Fream, Esq.

be applied on this account and your authority to write off the balance may be sought, but they have declined to do so, as they claim to have paid the Province of Alberta more on account of their seed grain and relief indebtedness than they have recovered from the actual recipients of the seed grain and relief.

I recommend that their action in releasing the liens on the Bank's application be approved, and that, as there is now no security and no likelihood of collection from the debtor personally, the undermentioned unpaid balance of the account be written off as uncollectable both in so far as it affects Anderson's indebtedness to the Municipal District and the indebtedness of the Municipal District to the Province of Alberta.

Seed Grain -	Principal		
	Interest to December 31, 1931	$25.91

Relief -	Principal		
	Interest to December 31, 1931	$13.24	
		31.85	
			45.09
			$133.77

The question whether or not the Municipal District should be required to pay to the Provincial Treasurer the $100.00 recovered from the Bank will be dealt with in the final adjustment of this Municipal District's seed grain and relief indebtedness to the Province of Alberta, which it is hoped will be arranged in the near future.

Yours truly,

The Tax Consolidation Board, hereby recommends that the action taken by the Municipal District of Sounding Creek No. 273, in discharging the Municipal and Joint Relief Liens charged against the W. ½, 13-30-9-W. 4th Mer., for advances made to Walter Andrew Anderson, be confirmed, and that the said liens be discharged.

The Board submits in support of this recommendation;-

1. That at the time the advances were made the debtor was the owner of the said land subject to a first mortgage in favor of The Canadian Bank of Commerce which had priority to all liens.

2. That the first Mortgagees started foreclosure proceedings but in the year 1927, were tendered a transfer to said land in full settlement of their claims and as they were desirous of accepting same, in lieu of foreclosure proceedings, offered the Municipal District of Sounding Creek No. 273, the sum of $100.00, as consideration for the discharge of the liens.

Re: S.E. 1-12-10-W.4th.

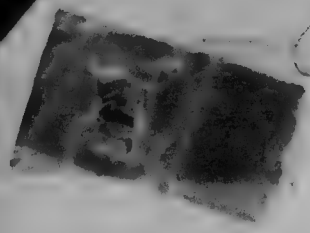

We have received a letter from Mr. H.C. French, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, dated the 13th of May, 1950, advising us that there are two liens in the amounts of $30.60 and $71.40 still registered against the above land. Mrs. Emma Grey was the administratrix of the estate of David McDonald and it would appear that these liens were registered in the name of David McDonald Estate instead of in her own name.

As a result of this the two liens were not removed when authority was given to you in our letter of the 22nd of January, 1949. As it was the intention of this Board Order to release the S.E. 1-12-10-W.4th from both the Federal and Joint Provincial and Federal liens you are hereby authorized and requested to remove the liens for $30.60 and $71.40 in the name of David McDonald from the S.E. 1-12-10-W4th.

Re: Account of Mrs. Emma Gray
N.E.¼ 36-11-10-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $577.00 were advanced to Mrs. Emma Gray on the security of the S.E.¼ 1-12-10-W.4th and the N.E.¼ 36-11-10-W.4th. Payments of $228.40, $34.45 and $199.56 were received in 1915, 1915 and 1948, respectively, and applied to the principal and interest. Under authority of Order-in-Council P.C. 58/88 dated the 13th of January, 1949, the S.E.¼ 1-12-10-W.4th was released as security for the liens and the balance of the indebtedness retained as a charge against the N.E.¼ 36-11-10-W.4th. The present standing of this account is:-

Principal	Interest	Total
$131.43	$585.03	$716.46

Patent was issued in the name of David McDonall for the N.E.¼ 36-11-10-W.4th on the 17th of December, 1910. In 1912 title to the land was acquired by a Mrs. Emma Gray and in 1915 she obtained the advances of seed grain, fodder and relief which became registered against the land.

In 1928 title to the land was acquired by the Municipal District of Bow Island No. 94, under the Tax Recovery Act.

The quarter-section is not of high assessed value and has never been revenue producing sufficiently to enable the repayment of the liens. In reply to our questionnaire of the 8th of November, 1951, the Secretary-Treasurer of the M. D. of Bow Island No. 13, advised that at that time the Municipality was the assessed owner but that the land was being operated by a Mr. Leslie Rapson Winnifred, and that there was an accumulation of $1,860.97 arrears of taxes outstanding against the land.

According to an Abstract of Title dated the 31st of January, 1956, this quarter-section of land now stands in the name of St. Mary and Milk Rivers Development Colonization Manager, subject only to our liens.

The information obtained indicates that the land is such that it no longer offers any security for our liens. Under the circumstances and in view of the substantial payments already received, it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

The Seed Grain and Relief Adjustment Board appointed under Order P.C. 1752, dated November 23rd, 1955, having taken under consideration the attached report of the Chief Collector of the Collection Branch, Department of Municipal Affairs numbered 11,325, APPROVES the settlement outlined therein and DOES HEREBY RECOMMEND:

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated June 20th, 1956, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable, and it is desirable that it be accepted.

Sir:

Re: N.E.¼ 36-11-10-W. 4th Meridian,
Mrs. Emma Gray,
Joint Relief Advances.

The above named debtor obtained the following Joint Relief Advances for which liens have been registered against the Title:

	$	58.50
Dec. 13/19		21.00
Dec. 26/19		13.30
Feb. 9/20		20.05
Mar. 10/20		30.00

Mar. 1/22		1.40
Mar. 1/22		54.40
Mar. 23/22		68.75
Mar. 25/22		104.10
		930.32
Int. to 31/12/53		
Total		$1,334.42

(Con't on Page 2)

Arrears of taxes accumulated on this parcel with the result that action was taken in accordance with the provisions of the Tax Recovery Act and the Title was acquired by the Municipal District of Bow Island on June 17th, 1937, and has stood in the name of the Municipality until a sale of same was negotiated with the Colonization Manager of the Department of Agriculture for irrigation development at the beginning of 1954.

The Secretary-Treasurer of the Municipal District advised that the Municipality received the sum of Eight Hundred and Fifty ($850.00) dollars with the understanding that a further payment of Four Hundred and Thirty ($430.00) dollars would be made by the Colonization Manager with respect to the existing Liens. Since sale under these terms and conditions deviated from the established policy of pro rating the proceeds of any Municipal sale to outstanding debtors for Joint Relief Advances and taxes, I undertook correspondence with the Secretary-Treasurer and Colonization Manager.

We have at last been successful in obtaining payment of Ninety-Five dollars and Fifty-Two cents ($95.52) from the Secretary-Treasurer and Four Hundred and Thirty ($430.00) dollars from the Colonization Manager. The Secretary-Treasurer advised that arrears of taxes outstanding as at the date of sale amounted to One Thousand, Nine Hundred and Two dollars and Forty-Nine cents ($1,902.49). After allowing for a nominal charge of Five ($5.00) dollars to cover costs the pro rata distribution of the sale proceeds totaling One Thousand, Two Hundred and Eighty ($1,280.00) dollars would be as follows:

	DUE	PRO-RATA BASIS
Costs		$ 5.00
Joint Relief Advances	$1334.42	525.52
Tax Arrears	1902.49	749.48
Total	$3236.91	$1280.00

I would, therefore, recommend that the sum of Five Hundred and Twenty-Five dollars and Fifty-Two cents ($525.52) be applied to Joint Relief Advances and upon application of this amount being made, the account be adjusted so that it will stand paid in full and the corresponding Liens be withdrawn at the Land Titles Office.

Yours very truly,

S. Cherkas,
CHIEF COLLECTOR.

Sir,-

S.E. ¼ of Sec. 20 Tp. 55 Rge. 3 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

I have your letter of the 12th instant to the effect that Lark Bruce Cunningham has been called upon to establish his nationality in support of his application for patent for his homestead, the S.E. 30-55-3-W.5th M.

Your remarks are noted that Lark Bruce Cunningham claims that he is a British subject in view of the naturalization of his father who obtained patent for the S.E. 20-55-3-W.5th M. bearing date of the 29th December, 1916.

According to our records Jacob Cunningham filed on his homestead, the land above described, on the 26th August, 1911. At that time he was a Citizen of the United States of America, born in the State of Kentucky.

In his application for patent executed on the 2nd June, 1916, the father stated that he was 62 years of age and in support of his application for patent furnished a Certificate of Naturalization dated the 16th April, 1913. This document was returned to him on the 21st October, 1916, to Gunn P.O., Alberta.

Dear Madam:

Re: Account of Jacob Cunningham,
S.E.¼ 20-55-3-W5.

During the year 1915 while homesteading the above mentioned land, Mr. Jacob Cunningham received relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $312.08 of which $118.15 is principal and $193.93 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Re: Account of Jacob Cunningham
S.E.¼ 20-55-3-W.5th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 relief amounting to $125.00 was advanced to Jacob Cunningham on the security of the above mentioned land. Payments of $30.00 and $20.00 were received in 1919 and 1927, respectively, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$118.15	$193.93	$312.08

Patent was issued in the name of Jacob Cunningham for the S.E.¼ 20-55-3-W.5th on the 29th of December, 1916, subject to the 1915 liens.

This quarter-section is not of high assessed value and has never been revenue producing sufficiently to enable the repayment of the liens. The land is described as broken with sharp ridges and very stony together with fire-killed poplar and is very hard to cultivate.

In reply to our questionnaire of the 19th of October, 1951, the Secretary-Treasurer of the Municipal District of Lac Ste Anne No. 93 advised us that this quarter-section was only assessed for $1,010.00 and that there was an accumulation of $65.26 arrears of taxes outstanding against the land.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances and in view of the payments already received, it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Dear Sir

I have not heard from my son Joseph P. Yates as to what he intends to do in connection with the above.

He has had misfortune during the past four years and has heavy Doctors bills to meet along with other expenses. His brother Harold resident in Canada since April 1911. 20 yrs of age would like to file on N.W. 1/4 30. and if he could do so he would rent his brothers quarter and so be of some use to him. Can Harold Yates file on N.W. 1/4 as homestead if cancellation goes through? If so on what conditions?

~~Commissioner~~

OTTAWA, 12th June, 1922.

MEMORANDUM,

Mr. Hume,

Re-N.W.¼ 30-1-10-W. 4th M.
Pre-emption-Joseph P. Yates.
Date of entry-16th December, 1910.

Cancellation proceedings were instituted against the entry in behalf of the Department 14th August, 1920. The proceedings were held in abeyance from time to time and on the 24th June, 1921, the entrant was informed that if he were satisfied that he had eighty acres of cultivation completed, he might make formal Application for Patent.

The father of the entrant, J. W. Yates of Aden, Alta. informed the Department on the 25th July, 1921, that his son, the entrant, had a heavy loss by fire during the preceding year and had been out at work during the current year. He asked for an extension of time for his son to meet payments in connection with the entry. He was allowed until the 1st November, 1921.

A report received from the Land Patents Branch 27th April last, is to the effect that the entrant had not up to that date made any payment on the purchase price. It would appear that he is also indebted to the Department for the advance of Seed Grain etc; amount of indebtedness 31st March, 1922, being $100.58.

A letter was addressed to the entrant on the 1st May, asking him to report his intentions with respect to his Pre-emption; a copy of the letter was sent to the entrant's father at Aden, Alta. The entrant has not replied to the letter, but his father has written that he has not heard from his son as to what he intends to do in connection with his Pre-emption. He states that his son was under heavy expense during the past four years on account of illness, that another son, Harold 20 years of age, would like to get entry for this quarter-section, and would then rent the unpatented appurtenant homestead. It will be noted that this land is situated in area "A" and therefore if the entry were cancelled, the land would be reserved and made available for lease only.

I would recommend that the present entrant be allowed a final thirty days notice to make application for patent, or to submit evidence that he intends to make application for Patent in the near future.

Recommend 60 days final notice

Dear Sir.

I thank you for the information sent me in connection with the above quarter section and wish to ask if Harold Yates brother of Joseph P. Yates could make entry on the above.

Harold is 20 yrs of age - has lived in Canada since April 1911. has not made entry on land up to the present

If Joseph P. cannot fulfil his obligations it is because of misfortune. heavy Doctors Bill, loss of by fire etc and Harold could be of help to him if allowed to file on NW 4.

Would you kindly let me know what the conditions are? will it be free homestead entry or payment of $10? If not what amount stands against the qr section?

Yours faithfully
J.W. Yates.

In reply to your letter of the 27th ultimo, I beg to advise you that it is not possible for a pre-emptor to abandon his pre-emption entry in favor of a relative when cancellation proceedings are outstanding against the entry. If an entry is in good standing the pre-emptor may abandon in favor of a relative, but if the relative desires to re-enter for the land as a free homestead he will only be permitted to re-enter on condition that he make the remainder of the payments as provided under the original entry. It would also be necessary for him to make payment of any Seed grain and Relief indebtedness registered against the land.

Dear Sir:

J. P. Yates,
Re: N. W. 30-1-10-4 - Cancelled Pre-emption.

Mrs. Elizabeth Yates, writing from Aden, is making inquiries in repsect to the above parcel of land, which she informs us was at one time the pre-emption of her son, Joseph P. Yates. She states that this son had the S. W. 30-1-10-4 as his homestead and that he turned this over to her some few years ago, since he was unable to stay on the land owing to poor crops, sickness in his family and destruction by fire of all his stock and equipment.

Mrs. Yates is now desirous of farming this pre-emption with a view to paying off all the debts against it, in order that it can be returned to her son eventually, and I will esteem it a favor if you would communicate with this lady and show her whatever consideration in this respect you feel you are able to make.

Cancelled pre-emption - Joseph P. Yates.

Mr. William Hewlett of the Provincial Department of Agriculture, Edmonton, has informed the Department of your desire for the reinstatement of your son, Joseph P.Yates, in his pre-emption entry for the quarter-section above mentioned, in connection with which it is understood that you are prepared to make arrangements to complete payment of the purchase price as well as the seed grain indebtedness.

I may say, in reply, that this land is now comprised within a lease of Ranch No. 14605, and under the circumstances, the Department is not in a position to consider the restoration of your son's entry. However, this does not relieve him of his personal liability for payment of his seed grain indebtedness.

Re: Account of Joseph P. Yate
N.W. 30-1-10-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1920 seed grain amounting to $89.05 was advanced to Joseph P. Yate on the security of the above mentioned land. A payment of $50.00 was received in 1928, and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 89.05	$ 154.76	$ 243.81

The N.W. 30-1-10-W4 was formerly the pre-emption entry of the debtor whose entry was cancelled on the 2nd of September 19.2, and the land is still unalienated Crown Land held in the right of the Province.

The land is described as sandy clay, unsuitable for cultivation and fit only for grazing purposes.

This quarter section is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is still vacant and no longer being operated. It is not assessed as of any value or subject to taxation. As such the land no longer offers any security of value for our advance.

Under the circumstances it is recommended that the indebtedness be cancelled.

S.W.¼ 2-3-7-W. 4th M.
Pre-emption - H.L.Shinn.
Entry granted 29th November, 1915.
No cancellation proceedings.

Mr. Shinn made an application for patent for this land, claiming that the required duties had been satisfactorily completed, and a Certificate of Recommendation was accordingly issued to him. This document has expired and has not been returned to the Department.

A Homestead Inspector has now reported that the entrant has improvements on the homestead valued at $465.00 and on the pre-emption valued at $25.00, besides 45 acres of breaking on the homestead and 90 on the pre-emption. He had 30 acres in wheat and 95 acres in flax this year. The wheat was not cut and the estimated yield of the flax is about 200 bushels. The entrant states that he is unable to pay the Department and requests an extension of time, which the Inspector recommends.

I would recommend that the entrant be advised that if he will return to the Department the expired Certificate of Recommendation he can be granted an extension of time until the 1st November, 1925, within which to make the necessary payment.

Unpatented pre-emption.

SENT
JUN 23 1927

I beg to acknowledge receipt of your letter of the 10th instant and in reply may say that under an amendment made to the Dominion Lands Act in 1923 the privilege of a second free homestead is extended to those settlers who took up homesteads and obtained patent for same prior to the 1st January, 1923, in what is known as the "Dry Area" in southern Saskatchewan and Alberta, i.e., that portion south of the south boundary of Township 31 in the old pre-emption and purchased homestead tract. The main points of the amendment are explained on page 8 of the enclosed "Hand-Book".

If you wish to secure the benefits of the amendment you should first of all communicate with the Provincial Authorities at Edmonton giving them full particulars as before your case can be considered by this Department you will require to obtain a Certificate of Approval from the Province. You should address your letter to the Deputy Minister of Agriculture, Edmonton, Alberta.

In the event of your being successful in securing a Certificate of Approval you may then select one vacant and available quarter section outside the "Dry Area" as specified in the amendment made to the Act and make application to the Agent of Dominion Lands for the district in which the land is located to have it reserved for you. If the Agent is aware of no reason to the contrary he will reserve the land in your favour. You will then require to furnish this Department with satisfactory evidence as soon as possible in the shape of

Encls

Harry L. Shinn, Esq.,
Clairmont,
Alta.

Abstracts

Abstracts of title showing that you have been divested of all interest in your patented homestead and any other land holdings (excepting town property) which you may have in the said "Dry Area". Upon your furnishing this evidence you will be given permission to again appear before the Agent and make formal application for entry for the land selected.

You will also require to voluntarily abandon your unpatented pre-emption and a blank form which may be used for such purpose is enclosed herewith. When you have filled the form in and had it properly executed, you should send it to the Local Agent for the district who will forward it here if he finds it is satisfactory in all respects.

I might add that there is no provision under which you can reconvey your land holdings in the "Dry Area" to the Crown. It will be necessary for you to furnish evidence that you have disposed of all your interest in such lands and that they stand in the name of some other person or persons but not in the name of the Crown or in the name of a member of your family.

Should you secure another homestead you would require to perform all the ordinary homestead settlement duties in order to obtain patent. Any Seed Grain or Relief indebtedness to this Department would have to be transferred to the new location.

W. M. ROBERTS

Entry granted 20th November 1915.
Cancellation proceedings instituted 8th September, 1927.
Default in payment.

Patent applied for and certificate of recommendation issued, which expired on the 22nd November, 1920. That document not on file. No defence filed, in fact the entrant has not been heard from for some time. Seed grain indebteiness, including interest, nearly $300.00. Inspector in August last reported no improvements of any value. Entrant has left the country.

Mr. Oscar Finstad, who apparently has the pre-emption rented, on the 26th September last wrote to the effect that he would send the grain tickets as soon as possible. He enclosed the thresher's statement regarding the rye on the 40 acres. Amount owing including interest to the 1st instant $705.74. Abstract of title shows registered against the quarter section a mechanic's lien. I would suggest that the entry be cancelled and the land posted in accordance with the regulations.

Sir,

Re S.½ 2-3-7. W.4th M.

In the matter of your application for pre-emption patent for the quarter-section above mentioned in connection with which you were granted Certificate of Recommendation No. 7279 to permit of your disposing of your interest in the land by way of a mortgage, assignment or transfer, with a view to completing payment of the purchase price, I beg to say according to information furnished you appear to have deserted the land and turned over your interests therein to one Oscar Finstad of Orion, Alberta, who recently tendered payment of the sum of $111.70 to apply on account of the purchase price.

In this connection I am to say that cancellation proceedings are now pending on behalf of the Department for failure on your part to complete payment as aforesaid and whereas the agreement with Mr. Finstad partakes of the nature of an assignment contrary to the provisions of the Dominion Lands Act the Department will require a statement as to your intentions.

I might further call your attention to the fact that the payment above referred to constitutes a share of the proceeds of a volunteer rye crop harvested last year on the land by Mr. Finstad, and it may be assumed that but for the said volunteer crop nothing would have been paid. This is not a satisfactory state of affairs and unless you are prepared to return and farm the land in a proper and husbandlike manner the Department would appear to have no alternative but to carry out cancellation.

Under the circumstances cancellation proceedings will be held in abeyance until the 1st April next to afford you an opportunity of submitting your report in this connection, failing which cancellation may ensue without further notice.

Secretary.

Land selected.

I beg to inform you the Agent of Dominion Lands, Grande Prairie, has forwarded here your statutory declaration to the effect that you are not the owner of any land holdings, excepting town property, south of the south boundary of Township 81 in the old pre-emption and purchased homestead tract. He also forwarded an Abstract of Title showing that your patented homestead, the S.E.¼ 2-3-7-W.4th Meridian now stands in the name of the Province as represented by the Minister of Municipal Affairs. It would appear that you lost your homestead to the Province through your failure to pay the municipal taxes.

It has been noted on the Abstract of Title that the disposal of the land to the Province is subject to redemption by you as provided for in the Tax Recovery Act, 1922. Under the circumstances, I am to ask you to have the Registrar of Land Titles at Calgary write you or the Department direct furnishing the date upon which the land passed to the Province and the date upon which the redemption period lapses. When this information has been received, your case will be given further consideration.

The Agent has also forwarded an Abstract of Title covering your unpatented pre-emption, the S.W.¼ 2-3-7-W.4th Meridian. Such Abstract is unnecessary as the Department is well aware that the land still stands in your name but before your request for a second homestead can be continued with, it will be necessary for you to voluntarily abandon this quarter section as explained in my letter to you of the 31st March last. Another blank form of abandonment which may be used for the purpose is enclosed herewith.

This was the Lienee's homestead, patent to which was issued in his name on the 7th January, 1920, subject to the Lien. There is notification on file indicating that this land was forfeited under Tax Sale proceedings, and according to an Abstract of Title drawn under date of 19th March, 1926, title became vested in the Department of Municipal Affairs in the right of the Crown.

S.E.2-3-7-W.4th.

This was the Lienee's pre-emption, which he abandoned on account of drought, and the same was duly cancelled on the 11th July, 1928. According to a Homestead Inspector's report of 10th August, 1927, the land is described as chocolate loam, 150 acres fit for cultivation. John Finstad obtained second homestead entry for this land on the 14th August last and executed the customary agreement to assume the seed grain, fodder and relief liability, without apparently attaching the usual proviso for an adjustment. However, the posting notice dated 19th July, 1928, indicated the amount of the outstanding indebtedness and made the proviso that an applicant assume the full amount of the indebtedness pending an adjustment by the Seed Grain Adjustment Board.

Please see application for second homestead entry of John Finstad dated 14th August last, who executed the customary agreement to assume the seed grain liability. While a declaration was not executed by Mr. Finstad for an adjustment, however the posting notice indicated that the land was charged with the indebtedness and that an applicant for entry would be required to assume the full amount of the indebtedness pending adjustment by the Seed Grain Adjustment Board. Re: Harry L. Shinn
S.½ 2-3-7, W.4th M.
SE¼ 27-73-3, W.6th M.

Memorandum:

Mr. Perrin.

Under the legislation authorising the apportionment and adjustment of the seed grain, fodder and relief indebtedness, the Adjustment Board of Alberta has submitted a report dated the 20th ultimo, marked hereunder.

The indebtedness in this case consists of advances as follows:

FEDERAL

Year	Principal	Amount due 29.9.28
1919	$177.97	$186.37

The Board represents that the SE¼ 2-3-7, W.4th Meridian reverted to the Crown in the right of the Province under Tax Sale proceedings, and that the land is situate in a very bad locality; and has a valuation of not more than $1.00 per acre. It is the opinion of the Board that it is not desirable that any portion of the indebtedness be retained against this quarter-section and that the land be released from the liens.

The SW¼ 2-3-7, W.4th Meridian, the debtor's former pre-emption, which has been cancelled and entered for by John Finstad, is also stated to be of extremely low value and it is the opinion of the Board that it is undesirable that any portion of the liens be retained against this land and that the debt be written off in respect thereof.

It is recommended that as the debtor has obtained second homestead entry for the SE¼ 27-73-3, W.6th Meridian, that the liens be retained against this land until such time as the debtor might make an application for an adjustment.

From a perusal of the report I am of the opinion that the conclusions are just and equitable, and presume it will be in order to have a Memorandum to Council prepared.

Re SEED GRAIN

Sir:-

In reply to your enquiry regarding seed grain I have to inform you that it is hoped that settlers will be able to provide themselves with seed grain this year without looking to the Dominion Government for help. The prosecution of this war has imposed, with its very heavy expenditures and vast amount of work a heavy burden on the Federal Government, which calls for the greatest possible co-operation on the part of all residents of Canada. Under the circumstances this Department will grant assistance only to destitute homesteaders and furnish seed grain under the following conditions:-

1. Applicant must be a homesteader on unpatented land and in destitute circumstances, who lost his crop last year by some calamity, and whose land would have to go unseeded but for the aid of this Department.

2. Only sufficient seed will be allowed for the acres already under cultivation on the applicant's unpatented land and no seed will be allowed for spring breaking.

3. All applications before receiving any consideration from this office will have to be certified to by the Dominion Lands Agent, in whose district the land is situated. This certificate to show that the land described was filed upon by the applicant, is in good standing and patent not issued.

4. It is not the intention of this Department to ship any seed from outside points provided seed grain can be purchased locally by applicant on Government order. Applicants must give name and address of party or parties from whom the seed they require can be purchased, and state the price per bushel. If grain cannot be procured locally, the Department will purchase the seed required but applicant must state on his application the station where the grain should be shipped to.

5. If the applicant receives favorable consideration an official order will be issued from this office accompanied by liens. The party to whom this order is made out will supply to the settler the amount of seed stated thereon. After the liens have been signed and completed by the applicant and a receipt given for the grain so received. Any changes made in the papers cancels same. The party supplying the seed will attach his account in triplicate also the order and receipt for the grain together with executed liens in duplicate to this office. After papers so received are found to be properly completed, a Department cheque will be issued to cover the advance.

6. This Department will not be responsible for purchase of seed grain unless an official order is issued.

7. Settlers on patented land requiring seed grain must apply to their Municipality or to the Provincial Government.

8. Any applicants securing seed grain from this Department through any misrepresentation will be severely dealt with.

Enclosed please find application blank.

J. BRUCE WALKER,
Commissioner.

Dear Sir:

This Department has received through one of its collectors, two payments of $100. each, to be applied on account of Frank Z. Taylor of the SW 17-1-17-4.

We do not appear to have any liens registered against this land, and on enquiring at the Registry Office at Calgary, have been furnished with a copy of two liens one dated Apr. 17/19 for $134.50 and another dated Apr. 15/20 for $145.80, both bearing interest at 7%, and evidently filed by your Department.

The fact that the interest is stated at 7% whilst all the other liens filed by your Department bear interest at 5% has attracted the attention of this Department.

I would therefore be glad if you would say whether the above liens are liens due to your Department and if so, the money in our hands will be forwarded to apply on account of same.

Yours truly,

J. M. Clark

Sir:

I am in receipt of your letter of 26th ultimo stating that you have received from your collectors two payments of $100.00 each to be applied to the indebtedness against the above described land, and it is noted that you have made some investigation regarding the two liens for $134.50 and $145.80, both bearing interest @ 7% and question the origin of the same.

I might say that while all advances made by this Department prior to 1918 were on a 8% basis, all advances subsequently made have been on a 7% basis, and for your information I am attaching hereto statement showing the indebtedness to this Department by Mr. Frank A. Taylor.

Would you be good enough therefore to forward the payments in question at your earliest convenience.

Re: Account of Frank Z. Taylor
S.W.¼ 17-1-17-W4.

Dear Sir:

During the years 1915, 1918, 1919 and 1920 while homesteading the above mentioned land, Mr. Frank Zubrick Taylor received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $690.36 of which $211.23 is principal and $479.13 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Joseph Paez Ag't account
of Frank Taylor 2W4 17-1-17
W4th.

Dear Sir:

Your letter of February 16th addressed to Mr. Joseph Paez has been referred to us for reply. Please be advised that our client, Mr. Paez, purchased the above said lands from Mr. Frank Taylor sometime about the year 1922. At that time our client claims that it was his understanding that the seed grain, fodder and relief accounts were subject to cancellation by the Government of Canada. The Province of Alberta, as you know, has cancelled debts of similar nature against lands. Our client came to Canada from Hungary just a few years prior to purchasing this property in the year 1922 and he was assured by Mr. Taylor that he did not have to worry about the liens for seed, fodder and relief. It was on that understanding and assurance that he purchased these lands. It would indeed be a hardship if the Department were to claim from him the full amount of principal outstanding and interest in the sums of $211.23 and $29.14 respectively.

We might say that at the time he purchased these lands our client did not have the benefit of legal counsel. He discussed this matter with us recently and we have travelled over to see the officer of settlement of the Seed Grain Advisory Board. Our client is prepared to make payment of the full amount of the principal in the amount of $211.23 in full satisfaction and discharge of

You wrote to us on the 19th of March, 1956, concerning the account of Frank Taylor charged against the above land. In your letter you stated ~~that the Province of Alberta has cancelled debts of a similar nature against other lands and~~ that it will be hardship if this Department insists that the present owner Mr. Racz pay the full amount of the Federal indebtedness.

You have suggested that your client is prepared to make payment of the principal amount of $211.23 in full satisfaction of the Dominion liens and for their discharge. ~~Although we are~~ aware that the Province of Alberta has cancelled a number of debts, we have noted that on Abstracts of Title which we have obtained that there are still certain types of debts which have not been wiped out by the provincial government. Our federal account charged against this land is still a correct charge. We believe, however, that there are sufficient reasons for granting a substantial reduction in this case.

In order to assist your client in clearing his title, if he will remit the proposed payment of $211.23, within a reasonable time, it will be recommended to the Board that this sum be accepted in full settlement of the Federal indebtedness.

Re: Account of Frank Z. Taylor
S.W. 17-1-17-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915, 1918, 1919 and 1920, seed grain, fodder and relief amounting to $369.40 were advanced to Frank Z. Taylor on the security of the above described land. In 1925 and 1929 payments of $200.00 and $153.16, respectively, were received and applied to principal and interest. The present standing of this account is as follows:-

Principal	Interest	Total
$211.23	$479.13	$690.36

In reply to our inquiry concerning the Federal indebtedness charged against this land, Messrs. Moscovich, Moscovich, Spanos and Mutisz, Barristers and Solicitors, Lethbridge, Alberta, on the 19th of March, 1956, wrote as follows:-

"Your letter of February 16th addressed to Mr. Joseph Racz has been referred to us for reply. Please be advised that our client, Mr. Racz, purchased the above said land from Mr. Frank Taylor sometime about the year 1929. At that time our client claims that it was his understanding that the seed grain, fodder and relief accounts were subject to cancellation by the Government of Canada. The Province of Alberta, as you know, has cancelled debts of similar nature against lands. Our client came to Canada from Hungary just a few years prior to purchasing this property in the year 1929 and he was assured by Mr. Taylor that he did not have to worry about the liens for grain, fodder and relief. It was on that understanding and assurance that he purchased these lands. It would indeed be a hardship if your Department were to claim from him the full amount of principal outstanding and interest in the sums of $211.23 and $479.13 respectively.

We might say that at the time he purchased these lands our client did not have the benefit of a legal counsel. We discussed this problem with him thoroughly and we have prevailed upon him to make an offer of settlement to the Seed Grain Advisory Board. Our client

../2

is prepared to make payment of the full amount of the principal in the amount of $211.23 in full satisfaction and discharge of these liens.

Please advise us if this settlement is agreeable to the Board."

After negotiations the sum of $211.23 representing the principal has been received in full settlement of our account. In view of the extenuating circumstances this is considered equitable.

Dear Sir:

Re: Peter M. Dahlstrom.
Joint Relief Advances.
S½ 2-14-2-4.

The above party obtained the following Joint Relief advances giving as security liens on the title to the above parcel of land.

Joint Relief.	
Apr. 20/20	64.45
May 6/20	42.51
Nov. 18/19	77.10
Mar. 4/20	105.00
Mar. 13/20	305.75

	$811.70
	804.38
	1116.08
Int. to Mar. 31/32	112.20
Payment	1004.08

The debtor died some time in the early 1920's and steps were taken to dispose of his chattels from which one hundred and twelve dollars and twenty cents ($112.20) was realized and applied on the above advances as set out in the statement above.

The S.E. 2-14-2-4 was apparently the debtor's homestead which was allowed to revert to the taxing authorities for non-payment of taxes and was subsequently transferred to the Department of Lands and Mines for administration as no sale materialized while the S.E. 2-14-2-4 was apparently the debtor's pre-emption and this is Crown land with no entry thereon. Both parcels, due to their location in one of the dry parts of the Province are held available by the

Department of Lands and Mines for administration only and due to very low productivity insufficient is realized for any recovery to be made from this source.

As no security of value remains and as there is no possibility of obtaining further payment under the personal covenant, I would recommend that the balance outstanding be written off and the liens discharged.

Provincial Land Tax in the sum of one thousand, six hundred and eighty-six dollars and twenty-nine cents ($1,686.29) have already been cancelled.

The indebtedness, with interest computed to March 31st., 1939, is as follows:

Principal.	Interest.	Total.
$ 165.00	$ 219.50	$ 384.50

The above land was patented in the name of F. W. Giberson, but the patent was never registered, so that no Title has been issued. The property is subject to the Department's Lien and to various mechanic's Liens, filed by Goose Lake Grain and Lumber Company Limited, The Dutton-Wall Lumber Company, and the Imperial Lumber Yards, and also a caveat by the Massey-Harris Company Limited, it being noted that these encumbrances in each case only represent amounts of from $40.00 to $60.00. Enquiry to the Secretary of the Rural Municipality reveals that the land is carried on Municipal records as "Crown Land" and is not being operated. The writer has not obtained an appraisal of this land, but a study of the land survey records carried out by the University of Saskatchewan reveals that it lies in a low, alkali flat, surrounded by light, sandy land that is unoccupied, and while the Municipal Secretary did not express any opinion as to a present day value, the writer is of the opinion that it has no agricultural value at all. Apparently the Lienee has left the area, and his whereabouts are unknown, so that his personal covenant is of no value and it is considered that there is no security of any sort for the advances that were granted in this case.

It is accordingly recommended that the indebtedness be written off as a loss and the account closed in the records of the Department.

Respectfully submitted,

H. E. Wordsworth
Seed Grain Adjustment Board.

The debtor was unable to continue his farming operations in this territory due to a succession of dry years and abandoned the farm with a view to re-establishing himself elsewhere under more favourable circumstances. All trace of the debtor was lost several years ago and his present whereabouts are unknown.

Taxes are allowed to accumulate on the above land with the result that title was eventually taken by the taxing authorities

cont'd

under the provisions of the Tax Recovery Act. Due to the land being situated in one of the drier parts of the Province no sale materialized and the land was eventually transferred to the Department of Lands and Mines for administration and remained under the jurisdiction of that Department. The policy in respect of such land is to hold same available for lease only and due to the low productivity of the property only a very small income is received insufficient to provide for any recovery on these advances.

As there is now no possibility of obtaining repayment under the personal covenant or from the security I would recommend that the balance outstanding be written off and the liens discharged.

Provincial Seed Grain advances of eight hundred and ninety dollars and seventy-two cents ($890.72) have already been cancelled.

Yours very truly,

W. M. Hamilton.

Re: Account of P. H. Dahlstrom
N.W.¼ 2-14-2-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain amounting to $180.15 was advanced to P. H. Dahlstrom on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$180.15	$453.98	$634.13

The N.W.¼ 2-14-2-W.4th was formerly the homestead entry of the debtor whose entry was later cancelled and the land is still unalienated Crown land held in the right of the Province.

According to an Abstract of Title dated the 26th of January, 1956, this quarter-section is still unpatented land held in the right of the Province, clear of any encumbrance.

As the lien is not registered against the land and there is no further security for the advance, it is recommended that the indebtedness be cancelled.

Re: Account of Robt. Wm. Baum
S.W.¼ 12-23-3-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Robt. Wm. Baum received seed grain and fodder as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $374.75 of which $122.75 is principal and $252.00 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Re: Account of Robert Wm. Baum
S.W.¼ 12-23-3-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and fodder amounting to $122.75 were advanced to Robert Wm. Baum on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$122.75	$252.00	$374.75

Patent was issued in the name of Robert William Baum for the S.W.¼ 12-23-3-W.4th on the 20th of March, 1916, subject to the 1915 liens.

This quarter-section of land is of very low assessed value ($420.00) and has never been revenue producing sufficiently to enable the repayment of the liens. In 1924 the homestead inspector in a report stated that the debtor was working in B.C. and that one of the neighbors had seeded 40 acres of the land. The farm was not in good condition.

According to an Abstract of Title dated the 10th of January, 1956, the S.W.¼ 12-23-3-W.4th still stands in the name of Mr. Baum, subject to our liens plus a mortgage registered in 1924 in favour of The Standard Bank of Canada for the sum of $1,061.10 and two Provincial liens registered in 1937 and 1939, respectively.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Homestead entry of Mrs. Anna Bakstad

Date of entry 26th April, 1912.

I beg to call your attention to the fact that this entry is now over five years old. Please take ordinary cancellation proceedings at once on the ground of failure to apply for patent and at the same time instruct a Homestead Inspector to report.

If no defence is filed and if the Inspector's report shows no duties performed, you may at the end of the sixty days and on receipt of the required report, carry out cancellation if aware of no reason to the contrary, dealing with the land and reporting your action here in the usual way.

In all other cases where a defence is filed or where the inspector's report shows any duties performed, you should refer here before cancelling.

In every case the Inspector should give full information as to the nature of the land, using the blanks provided in the form of report for that purpose. The fullest possible information should be given in regard to duties and improvements.

Inspectors should make careful enquiry to find out whether the entrant may possibly be on military service or may be a returned soldier.

In any case where there is some special condition existing which would render it advisable not to dispose of the land in the ordinary way under entry to soldiers, the report should contain full particulars and the matter should be referred here before any action is taken.

A copy of any letter or form issued by you should be sent here to complete Head Office record.

Your obedient servant,

Upon cancellation of this entry please send to applicant notice of cancellation to his address to be listed.

Re: S.W. ¼ of 20-7-6 W.4th Meridian.

I beg to advise you that I am now in receipt of the evidence of another witness in support of your application for patent for your homestead, above described, but I am to advise you that as your residence duties were performed by residing with your brother, Olle H. This evidence may be submitted either in the form of the Duplicate Certificate of Title or Registration Abstract, which latter document may be obtained from the Registrar, Land Titles Office, Calgary, upon the payment of the usual fee of $1.03.

It will also be necessary for your brother to execute a Statutory Declaration on the enclosed form, his signature to which may be attested before any person authorized to administer oaths, setting forth what time he has resided upon his land and during that time what periods you were in residence with him.

Your obedient servant,

I beg to acknowledge receipt of your letter of the 20th ultimo regarding your wish to secure a second homestead and in reply may say that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, a right to make a second homestead entry on the usual homesteading terms.

The privilege of a first or a second homestead is only extended to a woman who is a widow having minor children of her own entirely dependent upon her for their support. Joint Relief.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the sum of $103.51, be accepted in full settlement of the Joint Relief Liens charged against the S.E.¼ 20-7-6-W. 4th Mer., for advances made to Mrs. Anna Jo Bakstad.

The Board submits the report of the Chairman of the Debt Adjustment Board, dated October 29th, 1934, which report gives full details of all liens registered against the said land, and states in support of the recommendation:-

1. That at the time the advances were made the debtor was the owner of said land and is still the owner, subject to the liens charged against same.

2. That the land is situate in a very poor district and has a low value and the debtor is experiencing considerable difficulty in carrying on her farming operations.

3. That the debtor has already made payments on account of the liability and the amount now tendered represents the return of the full amount of the advances originally made to this debtor and it is desirable that the settlement be accepted on compassionate grounds.

The Board therefore recommends that upon payment of one-half the amount herein provided for, under the terms of the Agreement now in effect, all liens charged against the said land be unconditionally discharged and the balances remaining unpaid be written off as uncollectible, and that the debtor be released from any further liability under her personal covenant.

Relief from the above Provincial Government as follows:
and gave us authority to incur liens against the above described land:

May 2/20	$37.50
Apr.13/20	24.50
Jan.5/20	21.04
May 29/20	15.05
Mar.23/22	10.00
	$ 108.49

Dec.6721 80 - - -

The advances made in the year 1920 were for sustenance to both man and beast and the prices charged at that time were exceptionally high, hay being between $32.00 and $60.00 per ton, potatoes $4.00 per hundred pounds, and other commodities on a similar basis.

In common with other settlers, this party has experienced very hard times, but has managed to keep her head above water and pay the taxes up. She has intimated several times that she is anxious to effect settlement of this account, but until the immediate present has never been in a position to make any definite offer.

She has now tendered the sum of $103.51, with the request that this sum be accepted in full settlement of her indebtedness to the Provincial Government, pointing out that together with her previous repayment, in a sum of $176.98, she has now paid back the full amount of the original loans.

A search of the above described property discloses the fact that the liens are in good standing, there being no prior mortgages, but having in mind the dry district in which she is located and with a view to her re-establishment and stabilization, I would recommend that her offer now made be accepted, that the sum received be applied to Relief Principal, the liens removed from title to the S. Joint Relief.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the sum of $103.51, be accepted in full settlement of the Joint Relief Liens charged against the S.W.¼, 20-7-6-W. 4th Mer., for advances made to Mrs. Anna J. Bakstad.

The Board submits the report of the Chairman of the Debt Adjustment Board, dated October 29th, 1934, which report gives full details of all liens registered against the said land, and states in support of the recommendation:-

1. That at the time the advances were made the debtor was the owner of said land and is still the owner, subject to the liens charged against same.

2. That the land is situate in a very poor District and has a low value and the debtor is experiencing considerable difficulty in carrying on her farming operations.

3. That the debtor has already made payments on account of the liability and the amount now tendered represents the return of the full amount of the advances originally made to this debtor and it is desirable that the settlement be accepted on compassionate grounds.

The Board therefore recommends that upon payment of one-half the amount herein provided for, under the terms of the Agreement now in effect, all liens charged against the said land be unconditionally discharged and the balances remaining unpaid be written off as uncollectible, and that the debtor be released from any further liability under her personal covenant.

E. J. Fream
Chairman, Seed Grain & Relief Adjustment Board.

The Honorable,
The Minister of the Int.,

Member, Seed Grain & Relief Adjustment Board.

Bakstad, has been submitted to the Tax Consolidation Board and in the opinion of the Board the proposed adjustment is fair and reasonable and it is desirable that the same be accepted.

In accordance therefore with the provisions of the Tax Consolidation Act, 1930, IT IS ORDERED that the recommendations for the adjustment and settlement of the said liens, contained in the said report, be and the same are hereby approved and accepted.

Dear Sir:

Re: Mrs. Anna J. Bakstad, Orion
S. W. 20 - 7 - 6 West 4
- Joint Relief -

The above party secured advances for relief from the Provincial Government as follows, and gave as security liens against the above described land:

May 3/20 -	Reg. 5721	BU -	$27.90 ✓ ✓
Apr. 13/20	"	"	94.50 ✓ -
Jan. 3/20	"	"	91.04 ✓ ✓
May 29/20	"	"	49.05 ✓ -
Mar. 28/22	"	3793 CX	18.00 ✓
			$ 280.49 ✓

A payment was received in a sum of $176.98 in October, 1929 and the balance now outstanding in respect of this account is shown to be:

Relief Principal	$280.49
Interest	76.24
Total - - - -	$356.73

..... The advances made in

5604838

The advances made in the year 1920 were for sustenance to both man and beast and the prices charged at that time were exceptionally high, hay being between $50.00 and $60.00 per ton, potatoes $4.00 per hundred pounds, and other commodities on a similar basis.

In common with other settlers, this party has experienced very hard times, but has managed to keep her head above water and pay the taxes up. She has intimated several times that she is anxious to effect settlement of this account, but until the immediate present has never been in a position to make any definite offer.

She has now tendered the sum of $103.51, with the request that this sum be accepted in full settlement of her indebtedness to the Provincial Government, pointing out that together with her previous repayment, in a sum of $176.98, she has now paid back the full amount of the original loans.

A search of the above described property discloses the fact that the liens are in good standing, there being no prior mortgages, but having in mind the dry district in which she is located and with a view to her re-establishment and stabilization, I would recommend that her offer now made be accepted, that the sum received be applied to Relief Principal, the liens removed from title to the S. W. 20 - 7 - 6 West 4th and the under-mentioned balance as at March 31st, 1934 be written off as uncollectable:

Relief Principal	$76.98	
Interest	76.24	
TOTAL - - - - -	$153.22	

Yours very truly,

Chairman,
THE DEBT ADJUSTMENT BOARD,

29th October, 1935.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

The undersigned has the honour to recommend that under and by virtue of the provisions of Section 1 of Chapter 51, 17 George V., approval be given to the attached report dated the 12th day of February, 1935, of the Committee appointed by Your Excellency in accordance with the said Act; and that when the recommendations of the said Committee have been complied with, the necessary action be taken to implement the said recommendations.

RE: S.W. 27-6-5 W. 4th Meridian.

The debtor held this property under a Purchase Agreement, and he did not have sufficient equity in the land to warrant the charging of the property by a land lien. I am not able to determine definitely that the lien was registered, but lien numbered 5033 was signed by the debtor charging this property. There is a possibility that this lien was cancelled in as far as it affected this land. In any event, if the lien does encumber title to the S.W. 27-6-5 W. 4th, I recommend that it be forthwith discharged, as it can not be considered a correct charge.

As further security for the Relief advances the debtor gave chattel mortgages covering his livestock and farming equipment. All the chattel security has disappeared years ago and there has been no trace of the debtor in the past six years. As all security for this account has been lost I recommend that it be written off the Departmental records as being uncollectable.

It may be added further that this same man is indebted to the Dominion Government on account of Seed Grain, Fodder and Relief advances, liens for which still appear registered on the title to this quarter section, the N.E. 22-6-5-W. 4th. The Tax Recovery Act of 1929 eliminates the Provincially registered liens, but the Dominion Liens still appear registered. It may be years before disposition is made of this property, and an adjustment reached in connection with the Crown liens, whereas the Provincial Seed Grain and Joint Relief Liens are now definitely valueless. I recommend, therefore, that the Department of the Interior be requested to act upon the recommendation in respect of the writing off of the Joint Relief Account, without awaiting further action in connection with the Dominion liens charged against this property. The Department of the Interior have, in the past, awaited completion of the action on both Joint Relief and Dominion liens, before approaching Council for an Order in respect of a write off, and, if this custom is adhered to, it will have the effect of slowing up seriously the action in respect of Joint Relief Liens.

Yours truly,

(Signed) W. Loree,

DIRECTOR.

Mr. McDougall

Answering your query of the 28th, I may say that for some time past, in quite a number of cases, the Adjustment Board of Alberta have been dealing only with the joint relief, Dominion liens being disregarded for the time being. In this regard I have attached a copy of a letter to the Chairman of the Board by Mr. Lorne, setting out their reasons for such action.

Re: Account of Mrs. Anna Bakstad,
S.W.¼ 20-7-6-W4.

Dear Sir:

During the years 1915, 1919 and 1920 while homesteading the above mentioned land, Mrs. Anna Bakstad received seed grain and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $1,457.81 of which $427.25 is principal and $1,030.56 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,

Re: Account of Mrs. Anna Bakstad
S.W.¼ 20-7-6-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915, 1919 and 1920 seed grain and relief amounting to $427.25 were advanced to Mrs. Anna Bakstad on the security of the above mentioned land. A payment of $1.60 was collected in 1928 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$427.25	$1,030.56	$1,457.81

Patent was issued in the name of Mrs. Anna Bakstad for the S.W.¼ 20-7-6-w.4th on the 3rd of January, 1922, subject to the liens.

This quarter-section is of very low value and has never been revenue producing sufficiently to enable the repayment of the liens. The land is described as situated in a very poor dry district where considerable difficulty has been experienced in carrying on farming operations. This quarter is cut up by coulees and rough land and 70 acres is all that can be broken.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

OTTAWA, 2nd February, 1929.

Sir,-

S.E. ¼ of Sec. 20 Tp. 26 Rge. 15 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

William Edward Stewart, Esq.,

P.S. If you will communicate with the Agent of Dominion Lands at Calgary he will inform you whether the S.E.¼-21-26--15-W.4th Meridian is vacant and available for homestead entry.

Re: Account of Wm. Ed. Stewart,
N.E.¼ 20-26-15-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Wm. Ed. Stewart received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $425.73 of which $140.50 is principal and $285.23 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Re: Wm. Ed. Stewart
E½ 20-26-15-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $140.50 were advanced to Wm. Ed. Stewart on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$140.50	$285.23	$425.73

Patent was issued in the name of William Edwart Stewart for the N.E.¼ 20-26-15-W4 on the 15th of July 1913, the land later becoming subject to the 1915 liens. The S.E.¼ 20-26-15-W4 was formerly the pre-emption entry of the debtor whose entry was later cancelled and the land is still unalienated Crown land held in the right of the Province.

This half-section of land is of very low assessed value .00) and has never been revenue producing sufficiently to enable payment of the liens. The land is situated in a drought area Province designated as Special areas and is described as suitly for grazing purposes.

In reply to our questionnaire of the 19th May 1951, Mr. ck, Supervisor, Special Areas, Department Municipal Affairs, Alberta, advised that the N.E.¼ 20-26-15-W4 is now assessed me of a Mr. Olaf M. Olsen; while the S.E.¼ 20-26-15-W4 is unCrown land occupies at present under a long term grazing lease such there is little likelihood of same ever being disposed of or utilized for any purpose other than grazing.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Sir,

Re S.W.¼ 4-25-10-W.4th M.

I beg to acknowledge the receipt of your letter of the 15th ultimo, in connection with your pre-emption on the above described land.

When you applied for patent for this land on the 20th February, 1919, your application only showed the performance of five terms of residence and that cultivation had been done in only five years and as it was more than six months from the date of your application for patent until this office was furnished with your Certificate of Naturalization as a British subject the Department were, therefore, unable to issue a Certificate of Recommendation in your favor until you had shown that your residence and cultivation were in good standing, therefore, it will be necessary for you to appear either before the Agent of Dominion Lands at Lethbridge or the Sub-Agent for the District or a Homestead Inspector with two disinterested witnesses and execute a supplementary statement showing that you have completed a further term of residence and also that you have had another crop on the land since you applied for patent for the same.

Please note that no action can be taken towards issuing a Certificate of Recommendation to you until this supplementary statement is received in the Department.

Under the circumstances, you will be given until the 1st of November next, in which to complete payment for your pre-emption, or at least make a very substantial payment on the account.

You were granted a Certificate of Recommendation but this Certificate lapsed on the 21st of November, 1922, and is of no further use to you. Please return it to the Department.

MEMORANDUM:

Mr. Hume.

N.E.¼ 10-15-2-W.4th M.
Preemption - Jacob Lippert.
Entry granted - 15th July, 1910.

This entrant applied for patent claiming all duties completed but he failed to make payment of the purchase price. His Certificate of Recommendation which expired on the 5th April, 1922, is on file.

A Homestead Inspector's report made in June last, shows 100 acres broken on the homestead and 45 acres on the preemption. The report states that the entrant has left the land and is farming in the Hilda district. The above land is farmed by other members of the family and as there was prospects of a good crop this year, the Inspector recommended that the entrant be pressed for payment.

Cancellation proceedings were instituted on the 3rd July last and the entrant filed a defence claiming no crops worth while since 1916.

It was pointed out to him that he should state his intentions with regard to paying for the land, but he has failed to reply to the Departmental letter.

In view of the above circumstances it is suggested that he be granted a final notice to the 1st December to make a substantial payment.

Re: Account of K. Hault,
L.L. 4-23-10-W4.

Dear Sir:

During the year 1919 while homesteading the above mentioned land, Mr. K. Hault received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $323.77 of which $90.00 is principal and $233.77 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

Re account of K.Hault, N.W. 4-23-10 W.4

Kaleel Hault of 10625-123 St. has brought to me your letter of February 28th signed by A.W.Gilchrist.

I have acted for Mr. Hault for several years and have always found him to be absolutely trustful and reliable.

Mr. Hault says that in or about 1919 his brother Mohammed Hault was the owner of the N.E. 4-23-10 W. 4th. His brother was sick at the time and Kaleel Hault went to the place of distribution and obtained for his brother some seed grain which he knows was used on the N.E.Quarter. He says that he did not get any seed grain from the Government for himself.

Mr. Hault says that your letter was the first notice he has ever received about any indebtedness to the Government for seed grain. He has not had occasion to make any search at the Land Titles Office in respect to his title and therefore did not know that a Lien had been registered.

His brother Mohammed Hault died some years ago in Edmonton.

Mr. Hault has always been very prompt in payment of his accounts. He did notleave the district in which this land lies until several years after 1919 and cannot understand why he was not notified of this claim before. It is rather strange that if he incurred a debt in 1919 no notice whatever was sent to him until 1956 which is 37 years later.

I would appreciate it very much if you would look into this and let me know if the Government is prepared to remove the Lien from his title upon presentation of a Statutory Declaration verifying the statements herein made.

Yours truly,

H. L. Spankie.

Dear Sir:

Re: N.W. 4-23-10-W.4th

We have your letter of the 5th of March, 1956, written on behalf of the present owner of the above land, Kaleel Hault. According to Mr. Hault, he obtained our seed grain advance for his brother, Mohammed Hault, who was sick at the time. It would appear that Kaleel Hault signed for his brother and that for this reason our lien was charged against his land.

Since your client obtained our advance as a favour for his brother who was ill at the time and that the grain was never used on his land, possibly the Seed Grain Advisory Board might consider this sufficient reason for cancelling the debt.

We suggest that you submit an affidavit to this effect and the Board will give the matter careful consideration.

RE: Account of K. Hault
N.W. ¼ 4-23-10-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain, amounting to $90.00, was advanced to K. Hault on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$90.00	$233.77	$323.77

Patent was issued in the name of Kaleel Hault for the N.W. ¼ 4-23-10-W.4th on the 20th of April, 1920, subject to the 1919 lien.

In reply to our questionnaire of the 10th of July, 1952, Mr. J. Thom, Supervisor, Local Improvement District No. 200, Edmonton, Alberta, advised us that the quarter-section was assessed in the name of a Mr. K. Hault of Edmonton, Alberta, and that the land was only assessed for the sum of $330.00

On the 5th of March, 1956, Mr. H.L. Spankie, B.A. Barrister and Solicitor of Edmonton, Alberta, wrote us as follows:-

"Kaleel Hault of 10625-123 St. has brought to me your letter of February 28th signed by A.W. Gilchrist.

I have acted for Mr. Hault for several years and have always found him to be absolutely trustful and reliable.

Mr. Hault says that in or about 1919 his brother Mohammed Hault was the owner of the N.E. 4-23-10-W.4th. His brother was sick at the time and Kaleel Hault went to the place of distribution andobtained for his brother some seed grain which he knows was used on the N.E. Quarter. He says that he did not get any seed grain from the Government for himself.

Mr. Hault says that your letter was the first notice he has ever received about any indebtedness to the Government for seed grain. He has not had occasion to make any search at the Land Titles Office in respect to his title and therefore did not know that a Lien had been registered.

His brother Mohammed Hault died some years ago in Edmonton.

Mr. Hault has always been very prompt in payment of his accounts. He did not leave the district in which this land lies until several years after 1919. and cannot understand why he was not notified of this claim before. It is rather strange that if he incurred a debt in 1919 no notice whatever

was sent to him until 1956 which is 37 years later.

I would appreciate it very much if you would look into this and let me know if the Government is prepared to remove the Lien from his title upon presentation of a Statutory Declaration verifying the statements herein made."

On the 12th of April, Mr. H.L. Spankie, B.A., again wrote us enclosing a Statutory Declaration signed by K. Hault, to the effect that none of the seed grain was used by him on the N.W. ¼ 4-23-10-W.4th or on any other land owned or formed by him.

Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

W.J. Taylor.

Dear Sir:

Re: N.W. 4-23-10-W.4th

We wish to thank you for your letter of the 12th of April, 1956, in which you submitted a Statutory Declaration signed by Aleel Hault stating that the lien for $90.00 which is registered against his land was for an advance of seed grain which he obtained for his brother, Mohammed Hault.

This declaration was considered by the Seed Grain Advisory Board who recommended that in view of the circumstances the account be written off. Authority has since been obtained under Order-in-Council P.C. 26-578 dated the 17th of May, 1956 to do this.

We forwarded the customary withdrawal notice to the Registrar, Land Titles Office, Calgary, Alberta, on the 31st of May, 1956 and we expect by this time that our lien will have been removed from the title.

Yours very truly,

C. K. LeCapelain,

Non Sirs I do not know if this Dept is the proper one, to address this Letter to or no. but if not Kindly send to proper ones. my Object in writing is to find out where I am at. first on or about Feb 15 1912 My Wife was offered a Boarding house proposition with which she thought she could make some money so as to ease up our Load as much as possible on the Homestead but I could see nothing in it. but to keep peace I finally went on the note with her for the agreed price under protest if did not pay, and on the 10 of May or before seeing she was getting badly in debt I induced her to allow me to go to the man of whom she had to stand good for the second Hand Furniture Bedding &c and told him it was impossible to make it pay. and I did then and there return same to or at least gave it up to him. He turns it over to the Sheriff who appraises and sells same for a Verry small amt after We had finished probably $25.00 for Laundry bills to have it all cleaned fit to be in a House at all also had paid $25.00 on the principal the owner then sues me and gets an Execution against

my Homestead, for I was not able to hire a Lawyer and Fight it, and the distance is about 30 miles to the Nat" So I was unable to appear. Now comes the Sheriff on the 24th day 1915 and seizes my Crop 43 acres of Oats & Wheat for this Dec 2/One Year with a lot of Cattle to the Good Government of Canada for, Feed, Seed and Provision, For which I would like to pay all I could spare aside from other Just debts which I owe name, Was compelled this Spring to buy 3 Horses in order to get out any crop at all, For I could not rent, as no one had Feed to Work Horses on For more land than their own. I gave a Mortgage on my Homestead to secure payment of same, which is due Nov. 1st 1915. I am also a payment on a plow and Drag Have Taxes about #50.00 Have a Lumber Bill for #95.00 for Granary which I was compelled to have also Have Harvest Bill of #30.00 and the Threshing Bill will be about #150 or more. Now the Lumber Bill I had to give a chattel mortgage on my Horses to secure this. Now I have 5 in Family and We need clothing, shoes &c also Bedding. as We have had to Live Very close. Sir:

I am directed to inform you, in reply to your letter of the 13th ultimo, that as Letters Patent were issued for your homestead, the S.E. ¼ -7-15-2-W.4th M., upon the 21st October, 191[illegible], and were promptly thereafter sent to the Registrar at Calgary all matters affecting that land after that date must be dealt with under the laws of the Province of Alberta, in which the land is situated. Even the seed grain advances which have been made to you during the present year by this Department and which take precedence of all other claims against you on account of your land must be dealt with under such laws.

N.W.¼ 7-15-2 W.4th M.

The lienee's pre-emption for which his entry was cancelled on the 30th October, 1926. Same was re-entered for as a homestead on the 14th December, 1928 by one Rutherford Cunningham Smith of Medicine Hat, Alberta, who executed the customary agreement to assume the former entrant's Seed Grain, Fodder and Relief liabilities subject to the usual declaration for an adjustment.

Homestead Inspector Bowyer reported in May 1928 in connection with this quarter that the nature of the soil is clay loam; that there are no improvements thereon; that the cultivation has gone back to weeds and further, that there are about 95 acres of first-class agricultural land on the above and that the balance is rough and stony.

S.W.¼ 7-15-2 W.4th M.

The lienee's homestead for which patent issued in his name on the 21st October, 1914. There is no Abstract of Title nor Homestead Inspector's report on file.

Your Ref. T-3-112.

Sir:

In this case kindly be referred to Board Order No. 2017, and especially to Mr. Lorce's report wherein the Joint indebtedness is set forth in the principal amount of $123.25 as incurred on November 13th, 1919.

May I advise that according to our records William H. Thatcher did not execute a lien for this amount, but one John H. Thatcher executed a lien for that amount on that date on the security of the N.½-6-16-2-4th M., in addition to two other liens in the amounts of $19.25 and $27.50; also that according to our records W. H. Thatcher's indebtedness as incurred on the security of the S.½-7-16-2-4th M. is in the amount of $141.95 and dated April 6th, 1920.

I may say that this W. H. Thatcher held the N.½-7 as a pre-emption and the S.½-7 as a homestead.

It has been considered advisable to apprise you of these discrepancies, and to await your further advice in regard thereto before approaching Council.

Mr. J.T. Judge,
Chairman,
Seed Grain and Relief Adjustment Board,

Dear Sir:

Re: John F. Thatcher.
NW 6-15-2-4, SE 7-15-2-4.
Joint Relief Advances.
Supplementary to Board Order 3405.

The Joint Relief Advances obtained by the above party were dealt with in the Board Order noted from which it will be observed that security represented by liens registered on the SW 7-15-2-4 was removed by foreclosure action and the Board Order provided that SW 7-15-2-4 be released from any charge in this connection.

The only remaining security was then represented by liens on the NW 6-15-2-4 title to which was taken by the Department under the provisions of the Tax Recovery Act. It was pointed out that the Department itself could not be expected to make any payment and instructions were issued that the account be retained as a charge against the NW 6-15-2-4 pending disposition of this property by the Department.

The NW 6-15-2-4 is situated in a part of the Province which at one time was included in the Special Areas where drought conditions are very prevalent. Due to the climatic conditions very little demand exists for land in this territory and no sale materialized of this property which is now under the jurisdiction of the Department of Lands and Mines. The policy of that Department is to hold such land available for lease only and due to its location only a nominal sum is received from rentals insufficient to more than provide for the services which must necessarily be supplied the few remaining residents.

As there is now no possibility of making any recovery on this account either from the security or under the personal covenant I would recommend that the balance outstanding be written off and the liens discharged.

Joint Relief Advances.

The above party obtained the following Joint Relief advance giving as security a lien on the title to the above parcel of land.

Relief.
Apr. 9/20
Int. to Mar. 31/31 150.00
115.21
$265.21

The debtor is reported to have left the Province some time in 1920 and is believed to have gone to the State of Ohio, his present whereabouts being unknown.

Mortgages were registered on the titles to the two parcels of land mentioned above prior to any of the Joint Relief Liens and foreclosure action was carried out in each case resulting in the title to the land being vested in the name of the mortgagee free of all liens.

In these circumstances there is now no possibility of obtaining repayment under the Relief Recoupment and as all security has been lost, I would recommend that the balance outstanding be written off.

The Provincial Seed Grain Advances of one thousand, nine hundred and six dollars and sixty-three cents ($1906.63) have already been cancelled.

Yours very truly,

CHIEF COLLECTOR.
